

COMMISSION RULES

-You must either PM me on Fimfiction or email me at ratedrslant@gmail.com for what you want commissioned.

-It's first come, first serve. So if you're the ninth guy to email me a commission, you're the ninth fic that gets done on the list. No special favors for anybody. **One Shot Commissioners and Multi-Chapter Commissioners are separate line orders.**

-There are to be no due dates. It gets done when it gets done, but I will try to get it done as quickly as possible. If you feel I am taking too long and wish your money back, you can request it back.

-Once I complete the fic's first draft (per chapter), I'll give you a link to look it over. If you want any changes let me know before working on finishing it. When it's finished I will request the second half of payment for the chapter.

-If you want to commission me again, you will be at the end of the line. And I will not take two fics from one person at the same time. That includes a separate One Shot or Multi-Chapter.

ONE SHOT COMMISSION SPECIFIC RULES:

-One Shots are one chapter only and it's \$15 per 1000 words. Meaning if you want a story that is 5000 words, you have to pay \$75 dollars in American USD.

-NSFW One Shots are \$25 per 1000 words. Also in American USD

- ***I accept payment from PayPal (which I prefer most), Zelle, and Transferwise.***

-It's half up front the moment I'm ready to work on your story. I won't start working until I get the first half of the payment. Second half will be requested when you approve of the final draft.

MULTI-CHAPTER COMMISSION SPECIFIC RULES:

Multi-Chapter is not currently open

-Multi-Chapter stories are stories with multiple chapters. Each chapter will cost \$15 dollars if the chapters are 5000 words or less. Each chapter will cost \$20 dollars if

chapters have a word count higher than 5000. ***You must tell me if you want more or less than 5000 words per chapter.***

- I accept payment from PayPal (which I prefer most), Zelle, and Transferwise.

-The maximum number of chapters you can request is 6.

-Payment for half of the request chapters must be given before I start working on the fic. The other half of the payment can be given when I finish the final chapter's final draft.

-I will not publish the fic until half the chapters are done. Once that half of them are published there is no refund.

COMMISSION MESSAGE OUTLINE

(Information that must be on your message to me)

Name: This is the name that you wish to be known by. It can be your pen name or your real name, but I suggest the former.

*Commission Request: This is where you will tell me your idea with as much summary as possible. What you're looking for, what the plot is about, what characters you want to use, setting, what ending you want, etc. The more detailed the request, the easier it will be for me to write it. If you keep it vague I'll have no choice but to write it how I want to write it. ***If you don't care about the details just say something along the lines of "Write however you want to write it".****

Genre and Rating: What genre do you want your story to be and what rating.

Specific Details: If there is a specific detail in the story that needs to be in there no matter what, say so.

One Shot or Multi-Chapter: If "One Shot" please state the maximum word count you are looking for. If "Multi-Chapter", please state the maximum number of chapters you request (No higher than six) and whether you wish the chapters to be less or more than 5000 words.

Published: Do you want me to publish this story on Fimfiction.net or Deviant Art? You will receive credit for coming up with the idea, but I wrote it. If you don't, then I'll give you the link to the fic, but if you're gonna post it somewhere I need my name credited for it.
