

# Auzutea Art commissions

## TOS

**Rules apply outside of this TOS and are subject to change at my leisure.**

- Payment must be completed in full before I start on the commission. I do not do payment plans for art
- REFERENCES MUST BE DIGITAL AND NON-SHADED
- You may not post my name/address anywhere or send to anyone. It strictly stays in paypal transaction, as will your name/address
- No refunds once started for any reason
- I do not do NSFW art commissions
- I **DO** do commissions related to drugs and alcohol however as well as themes with harnesses, boxers, leashes/collars, etc. Please ask to clarify what I will and will not do if you're wondering! You must be 18+ for these themes even though it's not nsfw. You must also be 21+ for alcohol and drug themes!! This is non-negotiable as it is my preference. I am not to blame for lying on age, since nothing I do is nsfw, however if I find out you're commissioning these themes from me and lying about your age I will blacklist you.
- I do not do hatespeech, racist, homophobic, etc. art
- I have the right to turn down any commission for any reason without explanation

- You may use my art for profit (stickers, tshirts, etc) if you choose to as long as you're the one who commissioned it from me and you credit me **AS WELL AS YOU MUST NOTIFY AND GET PERMISSION FROM ME BEFORE YOU DO.** I often use text that I purchased the copyright to but **you** are not allowed to sell/use because of the copyright. Please clarify with me before doing so, I may need to change the font for a fee.
- Changes/requests to art already started may result in increase in pay **UNLESS** the issue at hand is my fault/I missed something. I always provide wips unless its a quick sketch commission, I may not always send wips in that case but can make small changes when sent if its something i personally missed/drew wrong/colored wrong
- ((continued below please keep reading all pages))
- You may be moved around in my trello depending on my motivation to complete your commission. Please do not ask for W.I.P.s often, I will provide them when I have them. If you have not received an update in TWO weeks, you may ask for one
- No chargebacks for any reason, you will be blacklisted and others will be warned about your behavior on my instagram and/or twitter
- Payment must be done through paypal at this time and must be done through invoice
- You may not claim you drew my artwork, you will be blacklisted and posted on my instagram to remember this behavior by
- I have the right to cancel and refund commissions at any point in time
- Please ask about any other questions that may not be listed here, as said, terms apply outside of this TOS as well. Not sure? ASK. Thank you!!
