### COURSE DESCRIPTION

NO PREREQUISITES This is a hands-on elective for students interested in exploring a variety of art styles and media tools. This includes but is not limited to printmaking, painting, fiber art, sculpture, ceramic, epoxy resin, and glass. Along the way we will learn terms and definitions connected to studio art. Students will be assessed on recognition of art terms, ability to recognize famous works of art, and the techniques shown in artwork they create in studio as well as use of studio time.

### PROFICIENCY SCALE

The codes 1, 2, 3, 4, and M below will be used to communicate student progress in each learning target.

| 4                                | 3                 | 2                       | 1                     | M                                    |
|----------------------------------|-------------------|-------------------------|-----------------------|--------------------------------------|
| Mastery<br>(Exceeds Proficiency) | Meets Proficiency | Approaching Proficiency | Beginning Proficiency | Missing Evidence<br>(can be made up) |

### Learning Standards Scale Rubric

| STANDARD 1 - CREATE                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                              |                                                                                                     |                                                                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|--------------------------------------------------------------------|
| Exceeding Proficiency (4)                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Meeting Proficiency (3)                                                                      | Approaching Proficiency (2)                                                                         | Beginning Proficiency (1)                                          |
| I innovate through experimentation while using multiple expressions with my creative voice and vision.                                                                                                                                                                                                                                                                                                                                                                                              | I innovate using my own personal lived experiences to convey my creative voice consistently. | I innovate when I experiment with imitated concepts.                                                | I innovate while mostly imitating demonstrations or other artists. |
| Success Criteria                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                              | Student Reflection                                                                                  | Teacher Comments                                                   |
| <ol style="list-style-type: none"> <li>1. I substantially change source material when using references and resources.</li> <li>2. How do I know? What do I need to do to improve? What support do I need?</div> |                                                                                      |

## PERFORMANCE ASSESSMENTS

Feedback on learning can be given through informal and formal assessments. This will occur primarily through in-class work but may also include presentations and group critique. Aside from regular projects students will receive a mid-term assessment and final assessment.

## SPECIFIC COURSE ACTIVITIES

1. In order to make satisfactory progress towards course standards, students will need to:
2. Participate in class activities (contribute class discussions and ask questions.)
3. Complete assigned projects as needed in order to practice and improve learning.
4. Use formative observations to track learning progress and identify strengths and weaknesses with the course content and complete outside practice in activities when necessary.
5. Complete all project assessments, final unit reflection assessments, and final project.
6. Create and follow through on a plan of improvement, when demonstrating little to no understanding of learning targets.

## Scope and Sequence

Unit 1: Collage

|         |       |       |                  |
|---------|-------|-------|------------------|
| Project | Image | Terms | Success Criteria |
|---------|-------|-------|------------------|

|                                                                                   |                                                                                   |                                                                              |                                                                                                                                                                                                              |

#### MAKEUP POLICY

Assessments that are missed will be marked “missing” or “not taken” in the gradebook until completed. Students have five school attendance days to complete a missed assessment. Incomplete assessments result in a lack of evidence of student’s understanding and may cause a student to fail.

#### GRADE DETERMINATION

PowerSchool will house all assessments used as evidence towards a final letter grade. Click on the letter grade (or “i”) next to the course to see the scores from all assignments and assessments listed.

| The semester letter grade will be informed by the student’s learning proficiencies over the semester-long body of work with consideration to retained proficiencies and growth over time. Mastery of learning targets leads to mastery of course standards which in turn leads to mastery of the course. |                                                                                                         |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|

| F                                                                                                                                                                                                                                                                                                        | All standards achieved at “1”, “2”, “3” or “4” levels with two or more standards at “1” level           |
| <b>Important Note:</b> If a student has missing evidence in the form of M (can be made up) or N (cannot be made up) in any amount, then the student runs the risk of failing the course. In these cases, there may not have enough evidence to determine target proficiency nor a course grade.          |                                                                                                         |
