Hello George Wrangler Families,

George Junior High will open for students on August 24, 2020. We are very excited about students returning to our building. We have been looking forward to getting back to learning, competing and being social with each other, with appropriate precautions in place. This letter will help you understand procedures in place to promote safety and a structured learning environment for your student. We encourage all students to attend on the first day, no matter if you choose blended or onsite, to hear important information regarding procedures centered around safety and learning systems.

GJHS Plans & Procedures for Safety and Learning:

- Hand sanitizer dispensers are in every classroom
- Hallways are labeled to help student traffic flow & limit student contact
- Water bottle filling stations are available for touchless dispensing
- Students will be provided 2 washable face coverings. They will be required to wear them when social distancing of 6 ft cannot be maintained. Parents may provide their students with face coverings appropriate for school, however, no bandanas.
- We will have 3 lunch periods to limit the number of students in the cafeteria
- Students will be allowed to eat in designated areas other than the cafeteria for breakfast and lunch to promote social distancing
- Each student will receive a Chromebook and a charger. Students are expected to arrive at school with their Chromebook fully charged. Chargers should be left at home.
- Car Riders/ Students who walk will enter and exit using the North doors of George Junior High -
 - ◆ Students will not be released from the front of the building. We strongly encourage parents to refrain from dropping off or picking up students from the front between 8:00-8:45am and 3:30-4:30pm unless a parent needs to visit with the office staff or nurse.
- Bus Riders will enter and exit using the South doors of George Junior High -
 - ◆ No parents or guardians should be using the South bus lane between 7:30am - 4:30pm
