

KECSAC Program Improvement Plan 2025-2026 School Year

District: _____ Date: _____

Program: _____

Person Responsible: _____

Standard:	1) Purpose and Direction	☐	4) Resources and Support System	☐
	2) Governance and Leadership	☐	5) Using Results for Continuous Improvement	☐
	3) Teaching and Assessing for Learning	☐		

- Plans should include at least one measurable, academic goal.
- Ensure your objectives are attainable within a specific time frame.
- Goals and strategies should be SMART:

Specific **M**easurable **A**ttainable **R**elevant **T**ime-based

Priority Need

(What aspect of past student performance needs improvement?)

Supporting Data for Need

(What are the reasons for the need? What data illustrates these reasons?)

Goal *(Addresses the Priority Need)*

(How will our future student performance be stronger?)

Objectives for Reaching Goal

(What strategies will be implemented in our program to improve student performance pertaining to the Need? Be specific.)

Measure of Objectives

(What data will show that we are implementing successful objectives to reach the goal? What data will show improvements in student performance?)
