There is a list of the steps and the necessary forms to be completed and submitted online. Students must complete this process at least one week prior to the start of the first season they wish to participate in. Students only need to complete the Athletics FinalForms registration and get a sports physical **one time during the school year** but need to complete the sign-ups for each season. Websites &/or Canvas will have sign-up links posted prior to each season. Students will not be allowed to participate in practices or team activities until they have submitted the complete online packet and uploaded a copy of their sports physical to FinalForms. Contact your school's Athletic Director with questions. Please do not give any paperwork to your coach.
