Watch Face Privacy Policy

Personal Data

This app does not explicitly collect, store, process or share with others any personally identifiable information.

Third Parties

This app may use the following 3rd party services that may collect personally identifiable information:

- Google Play Services – A set of services, provided by Google LLC, that is used to update apps from Google Play and to enable Wear OS functionality..
  Privacy policy can be found at https://policies.google.com/privacy
- Watch Face Complications – The app may display data from watch face complications (e.g. weather, etc.) provided by 3rd party apps. The app itself does not read, store or process data from these watch face complications. Any use of these 3rd party apps is subject to their privacy policies and terms.
- Websites – The app may contain links to 3rd party websites that are not owned or operated by the author.
- The author has no control over these websites and/or services and assumes no responsibility for the content, privacy policies and terms of use of any third-party website or service.

Other Terms

This privacy policy may be revised for future updates of the app, e.g. if new functions that require policy changes are introduced. Should afore-mentioned case occur, users will be notified within the app.

Document revision date: 13.10.2022
