

# Watch Face Privacy Policy

## Personal Data

This app does not explicitly collect, store, process or share with others any personally identifiable information.

## Third Parties

This app may use the following 3<sup>rd</sup> party services that may collect personally identifiable information:

- Google Play Services – A set of services, provided by Google LLC, that is used to update apps from Google Play and to enable Wear OS functionality..  
Privacy policy can be found at <https://policies.google.com/privacy>
- Watch Face Complications – The app may display data from watch face complications (e.g. weather, etc.) provided by 3<sup>rd</sup> party apps. The app itself does not read, store or process data from these watch face complications. Any use of these 3<sup>rd</sup> party apps is subject to their privacy policies and terms.
- Websites – The app may contain links to 3<sup>rd</sup> party websites that are not owned or operated by the author.
- The author has no control over these websites and/or services and assumes no responsibility for the content, privacy policies and terms of use of any third-party website or service.

## Other Terms

This privacy policy may be revised for future updates of the app, e.g. if new functions that require policy changes are introduced. Should afore-mentioned case occur, users will be notified within the app.
