Daddy Sang Bass/Swing Low

1, I remember when I was a Lad
Times were hard and things were bad

But there's a silver lining Behind every
Cloud

Just poor people that's all we were
Trying to make a living out of blackland
Dirt

But we'd get together in a family circle
Singing loud.

Chorus:
No chord
Daddy sang bass, Mama sang tenor
Me and little brother would join right in
There

Singing seems to help the troubled soul
One of these days and it won't be long
I'll rejoin them in the song
I'm gonna join the family circle at the
Throne.

No the circle won't be broken
By and By Lord by and by

(No chord)
Daddy'll sing bass Mama'll sing tenor
Me and little brother will join right in

There
In the sky Lord, in the sky

2. Now I remember after work
Mama would call in all of us

You could hear us singing for a country
Mile

Now little brother has now gone on
But I'll rejoin him in a song
We'll be together again up yonder
In a little while.

NO CHORDS:

Swing low, sweet Chariot
Coming for to carry me home
Swing low, Sweet Chariot
Coming for to carry me home

Count your blessings see what God hath done
Count your blessings -- name them one by one
Count your many blessings see what God has done.

Do not be disheartened God is over all

Count your many blessings, angels will attend
Help and comfort give you to your journey's end
