

THE BIPARTISAN SYMBOLS NSFW

by Daniel Bell

FADE IN:

INT. CGI JUDICIAL BUILDING

Two manly men are practicully in fistacuffs. They are just balls out angry with each other. They are from the real world, they are not CGI, yet. This is the hypothetical formation of the symbols.

REPUBLICAN

(angry)

You tiny donkey ass bitch!

DEMOCRAT

(angry)

You fat tiny eyed elephant. With you big wrinkly ears that can't hear for shit!

REPUBLICAN

(angry)

You mangy haired wet nosed ho!

The DEMOCRAT now has sprouted mangy hair and a nose. From now on but men will become more animalistic. They won't turn into their

respective animals but will look like creepy SOBs with high level halloween prosthetics. Perhaps another example would be, they look like they are monsters in a B movie.

DEMOCRAT

(angry)

You fat, fat, fat dried out skin having
leatherfaced blob!

REPUBLICAN turns into more of a fat dried out skin having
leatherfaced blob!

REPUBLICAN

(angry)

You shit all over your self Donkey man!

DEMOCRAT begins to look more like a donkey and proceeds to shit
all over his legs.

DEMOCRAT

(angry)

Well elephants shit all over themselves as
well! You just have bigger moist[ier] loads!

REPUBLICAN begins to look more like an elephant man and proceeds
to shit all over his legs. But his poops are bigger. And more
moist.

REPUBLICAN

(angry)

You have an oversized shit covered dick that
drags on the ground and gets roadrash!

The Donkey Man's dick gets more anatomically correct.

DEMOCRAT

(angry)

Don't talk about my dick! Your dick is like a weightlifters arm! And your trunk looks like a thick uncircumcised old man dick! You have two dicks that could fuck each other!

REPUBLICAN begins to look even more like an elephant man and is still shitting all over his legs. He now has a big trunk and penis. They are gross looking.

REPUBLICAN

(hungry)

You don't look that bad faggot!

Both men look at eachother.

DEMOCRAT

(hungry)

I have something to say.

REPUBLICAN

(hungry)

No you ugly evil bitch. Your party is nothing but socialists.

DEMOCRAT

(hungry)

No. I am serious. I have to say something.

REPUBLICAN
(listening)

...

DEMOCRAT
(hungry)

I have been lying to myself about hating you. The opposite is true. I understand if you want nothing to do with me.

REPUBLICAN
(knowingly)

I know. You tiny ass.

Both creepy looking B horror movie looking animal men begin mouth fucking each other. They are full of Protestant repression. It is a mixture of hate and love. Self hate and misplaced hate. And the secret ingredient of true love. The only way a man can love.

DEMOCRAT
(sucking on his trunk)

I have always loved you.

REPUBLICAN
(knowingly)

I know.

DEMOCRAT
(sucking on his toes)

Do you love me?

REPUBLICAN
(shame)

I can't.

DEMOCRAT

But you are...

CUT TO:

THE AFTERMATH

Both man beasts cuddle with one another. There is a mixture of shame and bliss in the air.

REPUBLICAN

We can't let anyone know about this.

DEMOCRAT

I know. It isn't fair.

REPUBLICAN

We will have to put on an act. Pretend to still hate each other. Like we have been lying all along.

DEMOCRAT

(rubbing his belly)

I know...

REPUBLICAN

But one day...

DEMOCRAT

(rubbing his belly)

One day we will be able to love one another

in freedom.

REPUBLICAN

By 1920 this nation will grow up and
everyone will be able to love whomever they
like.

DEMOCRAT

(smiling)

But for now let's continue our quest for
Life, Liberty, and the Pursuit of Ha-Penis.

FADE TO BLACK:
