Document requirements for system networking links

general description

The system is built on a Wordpress infrastructure and works with aardvark and original version (eg: https://aardvark.ghostpool.com/original/) The system allows business owners to learn from tangential areas, to learn And cooperate with them. A member of the organization can promote his business online on the organization's website or in face-to-face meetings
In networking groups operated by the organization throughout the country.

1 .Description of screens and general functionality

The system supports different types of users, each user has different privileges. Types of users are:
- User pays
- User does not pay
- Content manager
- Group manager
- A non-paying user - only sees a group and its members along with contact details
- User pays - he has access to everything

The system consists of 2 main areas:
General information pages
Pages of profile of registered users and group managers who require Login
Pages of groups

1 . General pages (in a public area)

1.1 home page

- Description of the top menu: home, interested page, groups in your area, calendar, forum, contact, registration, login, my account, search, link to youtube channel, facebook link, accessibility
- Slider - the upper background (from here https://aardvark.ghostpool.com/original/elements/particles/) language with texts, Button and option to replace the background.
  Option to add 5 slides with a link
  To a certain page.
- Rolling News - Rolling Posts,
  Entered through the "News Management" screen, run
  From left to right automatically
- Registration form to contact the fields:
  Full name, mobile and email.

- Testimonies of customers, found in the format here (https://aardvark.ghostpool.com/original/elements/testimonials/)
- Ability to add videos (like https://aardvark.ghostpool.com/original/elements/featured-boxes/)
  Content area of 5 videos
- Articles (posts) - https://aardvark.ghostpool.com/original/elements/hover-boxes/
  the title + 3
  Posts in a row, with each post appearing
  Title and first lines. to another
  Then link to the full article.
  Clicking on the word "articles" will lead to the page
  Full articles in this format
- Chairmen of the groups: an area with a purple background
  Blue, title followed by short text.
  Then pictures of chairmen
