

The Little Red Riding Hood

Retold By Makayla

One day Little Red Riding Hood was walking in the dark and huge forest with her close friend Jack. They were going on a amazing and fun picnic together. While they were slowly strolling to there spot they saw the Big Bad Wolf.

"Well, well well. Who do we have here?" Big Bad Wolf said. "Leave us alone!" Jack yelled. Big Bad Wolf rapidly jumped at Jack and traumatized him. "Ahhh!" Jack yelled. Little Red Riding Hood strongly grabbed Jack and pulled him aside. "Big Bad Wolf! How dare you be mean like that!?". Just then Big Bad Wolf grabbed Little Red Riding Hood and started to run away. "Little Red Riding Hood!!!!!" Jack screamed, Jack started running after Big Bad but then he tripped over a tree root. By the time he got up Big Bad and Little Red Riding Hood were gone. "Little Red Riding Hood!!!" Jack yelled.

Big Bad got to his lair/house. "Ok, ok what should I do with you? Should I eat you raw or cook you?" Big Bad thought. "No you're not. Jack will come and get me don't worry!" She said sharply. Big Bad got very angry from that so he grabbed her an bit head off. Just then Jack came "Little Red Riding Hood!!!!!" Jack screamed, Big Bad looked at Jack and then chucked him into the fire. "Kids these days, so cheeky" Big Bad said. Since then there was no more Jack and Little Red Riding Hood.
