<https://linktr.ee/dryashkedia>

Current affiliation	Founder and Consultant Pulmonologist, Nishchay Hospital, Akola
Permanent address	Rama Kamal, Near Basanti Hospital, Ramdas Peth, Akola (Maharashtra) – 444001
Date of Birth	24 th February 1995
Age	31 years
Nationality	Indian
Languages Known	English, Hindi, Marathi, Marwadi
Interests	Respiratory medicine, Medical Research, Photography, Videography, Graphics designing, Badminton

Personal statement	<i>'Opportunities don't happen. You create them'</i> is my motto. I am a hardworking student, always ready to step out of my comfort zone to learn new things. I have experience in fields of medicine, medical research, photography, videography, graphics designing and event management.
--------------------	---

Education	DM Pulmonary Medicine and Critical Care Medicine from Vardhman Mahavir Medical College and Safdarjung Hospital, New Delhi (2022-2025) Score - 522/800 (65.25%) Diplomate of National Board (DNB) in Respiratory Medicine (October 2023) Post Graduation: M.D. Respiratory Medicine from Lokmanya Tilak Municipal Medical College and General Hospital, Mumbai (June 2022) Score – 571/800 (71.37%) Under graduation: Seth GS Medical College and KEM Hospital, Mumbai (February 2018)
-----------	---

Final MBBS: 73%

Junior College: Shri RLT College of Science, Akola
HSC Examination: 544/600 (90.66%)

School: Holy Cross Convent, Akola
SSC Examination: 531/550 (96.54%)

Academics

Clinical Observership in Interventional Pulmonology at **Thoraxklinik, Heidelberg, Germany** under Dr Konstantina Kontogiani and Dr Felix Herth in March 2026

Certificate Course in Allergy and Clinical Immunology conducted by Venkateshwara Institute of Medical Sciences and Dr Ashim Desai, October 2025

Diploma in Pediatric Pulmonary Medicine (DPPM) from Shishuka Hospital under Dr Bharat Reddy, Bengaluru, May 2025

Fellowship in sleep medicine (FSM) by Indian Sleep Disorder Association, June 2024

All India Rank 1 in NEET SS for DM Pulmonary Medicine (2022)

Cleared HERMES Examination with 73% in September 2022 (**European Diploma in Adult Respiratory Medicine**)(EDARM) conducted by the University of Bern, Switzerland

Received '**Certificate of Honor for exemplary academic performance**' during MD on 75th Foundation Day of LTMMC & Sion Hospital, Mumbai, 24th April 2022

2 years of working experience as a resident doctor in **COVID 19** ward and ICU (2020-2022)

Completed 6 months certificate course on '**Comprehensive Pulmonary Medicine**' by National College of Chest Physicians, accredited by National Board of Education in 2021
Final Score – 78.6%

Completed certificate course on '**Mechanical Ventilation for COVID 19**' conducted by **Harvard Medical School** in May 2021

NEET PG (2019) - State Rank – 180, All India Rank – 2551

Received **Mrs. Desa Memorial prize for standing first in 'Obstetrics and Gynecology'** in Final MBBS in GSMC & KEMH

Received **Tata Trust Medical and Healthcare Scholarship** in Second MBBS for the academic year 2014-2015

NEET UG - State Rank – 51, All India Rank – 1864

Memberships

National Academy of Medical Sciences
 Indian Chest Society (L 3277)
 European Respiratory Society (469234)
 Indian Sleep Disorder Association (LM 753)
 Chest Council of India (CCILM000731)
 Indian Association for Bronchology (LM - 1313)
 World Association of Bronchoscopy and Interventional Pulmonology (132309)

Paper and Poster Presentations

1. Oral Paper Presentation, 'A rare cause of Hemoptysis - Behçet's disease' at NAPCON 2021, Varanasi

2. Poster presentation, 'Spontaneous pneumothorax in patients of COVID 19 Pneumonia' at NAPCON 2021, Varanasi

3. Won **Fourth Prize** for Poster on "Langerhans cell histiocytosis presenting with pneumothorax and diabetes insipidus" at PACS 2023, New Delhi

4. Won **First prize** for poster on “Overzealous use of CPAP in obstructive sleep apnea” at Pneumocon 2024, New Delhi
5. Won **Second prize** for paper on “Thoracoscopic blood patch installation for persistent air leak in patients with pneumothorax” at Thoracicon 2024, Ghaziabad
6. Poster presentation on “An Interesting case of Hypereosinophilic syndrome” at Bronchopulmonary World Congress 2024, New Delhi
7. Won the **Third prize** for paper on “Advancing diagnostic precision: Investigating Endobronchial ultrasound guided mediastinal cryobiopsy for accurate mediastinal lesion diagnosis” at ABIP 2024, Kochi
8. Won the **Third prize** in Best Interventional Pulmonology Video Contest for “Thoracoscopic removal of a needle from pleural cavity” at ABIP 2024, Kochi.
9. Paper presentation on “Idiopathic central hypoventilation syndrome” at Sleepcon 2024, New Delhi.
10. Original paper presentation on “Oxygen desaturation Index during CPAP titration in OSA” At PACS 2024, New Delhi
11. Poster presentation on “Judge the book by its cover - Endobronchial lipoma, a diagnosis of gross appearance” at Current Perspectives in Interventional Pulmonology (CPIP) 2025, AIIMS, Delhi
12. Poster presentation on “Stabilization of lung functions in a patient with Pulmonary Langerhans Cell Histiocytosis with subcutaneous cytarabine” at NAPCON 2025, Pune
13. Came **first** at the National Level Quiz at PACS 2025, Gaziabad
14. Poster presentation on ‘Diaphragm Excursion Evaluated on Ultrasound Can Predict Risk of Exacerbations in Chronic Obstructive Pulmonary Disease Patients’ at **ERS Congress 2025**, Amsterdam, Netherlands

I have always been interested in research, to help advance medical science and contribute more towards patient care

Online CMEs and Webinars

1. CCI Webinar: A 360 degree therapeutic view in lung cancer: 4th September 2025
(<https://www.youtube.com/watch?v=MfeXZ5MQQzY>)
2. CCI EBUS Webinar: Why, When and When Not: 15th Jan 2026
(<https://www.youtube.com/watch?v=Ju23QRl9A&t=1743s>)

3. CCI Webinar: World Asthma Day: 7th May 2026
(<https://www.youtube.com/watch?v=RJUYep52Als&t=1s>)

4. ICS Webinar: Antifibrotics in ILD: 13th May 2026
(<https://www.youtube.com/watch?v=WiwY6OUqT9I&t=4034s>)

Conferences

1. Bronchocon 2026, Pune: Panelist: Rigid bronchoscopy
Complications: Prevention and Management

2. BREATHE 2026: Chairperson for the session on 'Endobronchial Stents' and,
Faculty for Cryobiopsy workshop and Judge for PG Poster Presentation

Extracurricular

Public Relations Officer for MARD 2021 (Maharashtra Association of Resident Doctors) – Tenure: January 2021 to January 2022
Working towards making post graduate residence a better experience for all the hardworking resident doctors

Founder, 'Resp.md': an Instagram and Facebook page dedicated to Respiratory medicine since February 2021 which has more than 1000 followers
This page is to share my knowledge with the rest of the world and to spread awareness about respiratory diseases

Invited to give an online 'Josh Talk' on my experience of working in COVID 19 ward on 23rd May 2021. Josh Talks is a well renowned platform with over 33 lakh YouTube subscribers
<https://www.facebook.com/watch/?v=4478042595562265>

Social Media Manager for **Vector**, a NGO dedicated towards education of the underprivileged children – October 2017-18
This was my way of giving something back to the society

Photography and Videography

Started my own YouTube Travel web series: **#travelore** to explore the unseen places of Mumbai which has a combined viewership of over 3000

Head Photographer for **TEDxGSMC, 2017** - My photography logo features on all YouTube videos of TEDxGSMC on the official TEDx page with more than 24 million subscribers
<https://www.youtube.com/watch?v=QyTOGY1A6ZQ> (10 seconds in)

My photographs have featured on www.betterphotography.in: an International Photography Magazine

Won a number of photography contests including: -
- Medsnaps by **Confluence 2016**, GSMC & KEMH
- Capture by **Confluence 2017**, GSMC & KEMH
- **Ascension 2017**, GSMC & KEMH

Established and headed 'Lens Affairs', the photography club of GSMC gymkhana for the year 2015-16

All these events helped me develop my photography skills and helped me look at the world with a different perspective

Graphics Designing

Creative editor for [Gosumag 2016](#), the annual college magazine of GSMC and KEMH - Designed the front page of the magazine, apart from various other artforms throughout the magazine

Designer for [TEDxGSMC, 2017](#) - Designed the brochure, souvenir kit, backdrops, speaker posters, bookmarks, notepads and the official logo of the event

Conducted a [workshop on 'Basics of Adobe Illustrator'](#) for MBBS students of GSMC & KEMH – March 2018

Cleared [Elementary Examination with 'A' Grade](#), conducted by Director of Arts, Govt. Of India

Cleared the [Intermediate Drawing Examination with 'B' Grade](#), conducted by Director of Arts, Govt. Of India

These opportunities helped me explore my creative side and acquire new set of artistic skills

Event Management

Head of [Informal Events, Aavishkaar 2015](#) – The Annual College festival of GSMC & KEMH. (Informal events meant keeping the crowd entertained at all times with quirky little games and activities happening all around the festival)

Member of the Core Team of [Confluence 2015](#) - The Annual Academic Undergraduate Conference of GSMC & KEMH

It helped me develop my communication skills and learn about finance and people management
