Coronado High School Student Rotarians

Rotary believes in developing the next generation of leaders. Participation with the Rotary Club of Coronado can help students build leadership skills, expand their vocational awareness and appreciate the value of service.

On behalf of the Rotary Club of Coronado, we are inviting this year's Coronado High School students in the Class of 2027 to apply to be considered as Student Rotarians. **Eight** CHS Student Rotarians for the 2026-2027 school year will be selected. The Student Rotarians will participate in Rotary service projects such as Beach Clean Up and Flags on the Avenue and have the opportunity to be a guest at Coronado Rotary weekly Wednesday luncheon meetings, as their academic schedule permits. Coronado Rotary hosts a Luncheon Meeting on Wednesdays at the Coronado Yacht Club or Coronado Cays Yacht Club. Transportation would be provided to and from CHS. There is also an option to attend an alternative evening Rotary meeting, held once a month at the Sharp Coronado Hospital Auditorium.

Mentors from the Rotary Club of Coronado will be introduced to the Student Rotarians based on interests or college majors being considered. The club is comprised of 260+ members, so students are certain to find someone who has an inspiring and relatable career path.

The application process:

1. Write a short essay (one page maximum) on a teacher, counselor, advisor, coach, administrator, or staff member who inspired you during your Coronado school years.
2. Describe past community service, volunteer work, projects and experience, or consideration of service work you plan to do in the future.
3. List your GPA, extracurricular activities, and leadership roles.
4. Include your name, e-mail and phone number and parent or guardian phone number and e-mail .

The deadline for completing the application is Friday, September 4, 2026.
Submit the application as a PDF electronically to jane@coronadoadvisor.com. Membership in CHS Interact Club is NOT required.
Participation is open to all 2025-2026 juniors in good academic standing.

Students will be notified of selection in mid-September. Student Rotarians will participate as their schedules permit, beginning in September and running throughout the 2026-27 school year.

Coronado High School Student Rotarian Program

The mission of the Student Rotarian Program is to provide a sense of the guiding principles of Rotary – integrity, fairness, honesty, goodwill, and respect through community service, fellowship, and leadership activities.

The program focuses on five goals:

- Promote an ethic of "service above self"
- Empower Student Rotarians as community leaders

- Expand Student Rotarians' exposure to a network of professionals
- Inspire personal commitment to and character of the Four-Way test
    - **The Four-Way Test**

Is it the truth,

Is it fair to all concerned,

Will it build goodwill and better friendships,

Will it be beneficial to all concerned.

Rotary International has four principles, or pillars, that guide its actions and relationships:

- **The Four-Way Test**: A set of ethical guidelines that Rotarians use to make decisions
- **Club Service**: Focuses on building fellowship and ensuring the club functions well
- **Vocational Service**: Encourages Rotarians to use their skills to serve others and uphold high ethical standards
- **Community Service**: Involves projects and activities that improve the local community

Other Rotary guiding principles:

- **Service above Self**: Rotary's motto
- **Diversity**: Rotary encourages diversity in its membership, activities, and service work
- **Integrity**: Rotary is committed to accountability from its leaders and members
