REQUIREMENTS:

Two printed letters of recommendation must accompany this printed application and be in the same folder or envelope.

The recipients of these scholarships will have a check sent to their institutions of higher learning next January, on KHSSL's receipt of a transcript of the 1st semester's grades plus instructions of where to send the check; checks will be made payable to the SCHOOL, not the STUDENT.

The completed application and all recommendation letters must be submitted in person by the student's coach as ONE PACKET OF INFORMATION THAT IS PRINTED ON PAPER at either the State Senior Speech Tournament or the State Debate Tournament.

Deadline is the beginning of the first round of State Debate. This includes all Recommendation Letters and all requested information. No electronic submissions will be accepted for any portion of the application.

No incomplete or late applications will be reviewed.

No kidding about the all-in-one packet submission on paper. KHSSL has ONE employee who works PART TIME. If you want the money, you do the printing and assembling to ask for it. Nuff said.

The recipients of these scholarships will be chosen by an impartial panel, and the scholarships will be announced at the State Speech Tournament Awards Ceremony with official letters to follow.
