

# Educator Reflection & Goal Development Worksheet

## Reflection of Student Learning, Growth and Achievement

Briefly summarize areas of strength and high priority concerns for students under your responsibility for the upcoming school year. Cite evidence such as results from available assessments. This form should be individually submitted by educator, but can also be used by individuals and/or teams who jointly review and analyze student data.

## Reflection of Professional Practice Against Performance Standards

Citing your district's performance rubric, briefly summarize areas of strength and high priority areas for growth. Areas may target specific standards, indicators, or elements, or span multiple indicators or elements across standards. This form is optional for individual use or for use by teams in preparation for proposing team/department goals.
