[M4F] [script offer] **Boobtiful** [strangers-to-lovers] [hybrid narrative] [tit torture] [breast appreciation] [binding] [clamps] [nipple play] [spanking] [bruising] [humiliation] [degradation] [name-calling] [explore24] & F [anorgasmia-friendly] PD: [AAA-cup to K-cup+] [IBTC] [small breasts] [large breasts] [implants] [natural breasts] [mastectomy scars]

Summary: A breast-enthusiast speaks about why he loves tits so much, before tormenting yours and parading you in front of the neighbours. (The speaker talks about all types of breasts. When he ties her breasts, it's implied that she has enough breast tissue to hang down and jiggle and that she has nipples.)

Name & endearments: honey, naughty, pervert

Word count: 1,200

Narrative tone:

1. These characters are either strangers or dating with new relationship energy, they haven't been dating very long.
2. The speaker starts with a monologue where he talks about all of the different types of breasts he adores and what he likes about them. He's happy and enthusiastic.
3. The listener is comfortable with having her breasts appreciated, but she's never let someone torture her tits before and she's curious.
4. The speaker's dialogue is a bit crude and he drops the "g" on several words. Please feel free to change that and speak naturally, if you wish.
5. The first half of the script is a monologue he delivers to the audience, and halfway through he begins to address the speaker directly via role-play dialogue. This change is marked for you.

[MONOLOGUE, HAPPY]

I've never seen a pair of tits I didn't like, big or small.

I've **always** been a boob guy.

She could be a member of the Itty Bitty club or have massive tits, I still love hers.

Hell, I haven't even seen them yet and I want them.

Let me at 'em!

Boobs are beautiful!

Natural tits or implants? They're all great.

I've cum on big tits, I've cum on tiny tits, I've cum on mastectomy ([ma-stek-tuh-mee](#)) scars, and let me tell you something; I enjoyed myself every single time.

Whether I'm rubbing myself across her flat chest or I press her breasts against my cock, it's always hot.

I love boobs.

I love all sizes, all shapes, all nipples!

Doesn't matter if you've got natural nipple tissue or they're tattooed on, **I love tits** and I love yours too.

Stretch marks?

Don't we all.

Lots of breast tissue, or none? Beautiful!

Perky or sagging, so what?

Did yours change after breastfeeding? Your tits are still hot.

Outward-facing, close-set or wide-gap?

Athletic or ski slopes, pear-shaped or saucers?

Asymmetrical ([A-suh-meh-tri-kl](#)), conical ([kaa-ni-kl](#)), or round? Gimme!

I love your triple A's and every size between K-cup and beyond, your boobs are **great!**

Whatever you've got under there, it's a boob buffet (**buh-fay**) and I just scored, I want them all!
[PLEADING]

Honey please, show me your titties because I want to adore them.

Your tits are boob-tiful!

Show me your boobage!

[AROUSSED]

I love dating a woman who wears low-cut tops.

Doesn't matter if she has cleavage or not.

That tantalizing glimpse of what's waiting for me gets me going like nothing else.

If she wears a bra, unsnapping the clasp and pushing the straps down is a big part of foreplay to me.

If she wears a bralette, or nothing at all, that's hot too because I get my hands on the girls even faster!

The absolute best part of dating is bringing a woman home and seeing her top come off for the first time.

I love to feel boobs, caress and pinch nipples, and **suck**.

Oh dear God do I ever love to suck on her nipples.

I could do that for **hours**.

Your nipples would be sore, you'd be pushing me away and I'd still want more.

[CONFESSION]

But uh...sometimes I like to get...a little rough with a girl's tits, you know?

Tying her tits with rope so they pop out? **Hot**.

Putting elastic bands around her nipples until they're so stiff, or clamping them? Even hotter.

Clothes pegs? Sweet mother of God, yes!

( **ROLE-PLAY DIALOGUE BEGINS HERE**)

So what I like to do is...you know what?

Let me show you.

Yeah, **you**.

Do you like having your tits played with?

Then why don't you take that shirt off and show me the goods, honey?

(**FX:** rustle fabric)

Very nice tits.

Mmm mmm **mmm**!

I'm gonna tell you what to do for me.

Rub them gently, or cup them in your hands, nice and easy.
Gimme a show.

Just like that, yeah.
How's that feel?

Now rub your nipples.

Pinch 'em a bit, get 'em nice and hard.

That didn't take long.

So what I do is, here, I cup them or palm them like this.

I rub your nipples, rolling them with my fingers, pinching them.
[AMUSED]
Too hard?

Whoopsie.
How about if I...flick them?

[AMUSED]
Sure.

[CONFIDENT]
So now you know how much I want to adore these titties.
But what I'm wondering is...maybe you don't always want to be adored nice and gently?

Well, you came to me, of all people.
You could have gone looking for someone who just adores titties and stopped there.
But me?
Sometimes I like to adore 'em, and sometimes I like to hurt 'em.
And I'm thinking **maybe** you want your titties to hurt a little.
Am I right?

Speak up.

That's what I thought, honey.

Sometimes I like to slap tits with my bare hand.
What do you think about that?

Wanna find out?

Good.

[HAPPY]

For the sounds they make!

Whether she has enough to jiggle or not, that sound goes **straight** to my dick.

Hey, do you bruise easy?

(FX: slapping tits with bare hand)

Look at that.

That's beautiful.

Sometimes I use a ruler or a wooden spoon.

You ever been spanked with a wooden spoon, honey?

Today's your lucky day.

You're going to enjoy this.

Maybe.

Well, I will, for sure.

(FX: begin slapping tits with wooden spoon)

I know it hurts, honey.

That's the point.

And when I'm finished, they always look **so good**.

Marked and sore, absolutely covered in what I've done to them.

You're going to be remembering me for **days**.

You're going to see yourself in the mirror, see what I did to your tits, and I bet you're gonna get wet.

If you don't, well, then I should slap them harder.

(INCREASE SLAPPING INTENSITY)

Listen to that sound!

You know what would really make you whimper?

If I caned your tits.

Easy, relax!

I'm not going to.

Not today.

(STOP SLAPPING)

[SYMPATHETIC]

Look at those poor tits.

Bruised, swollen, ***just aching.***

Yeah, but I think we can make an improvement.

Lean over the table for me on your elbows, let the girls hang.

Makes it easier for me to tie them.

Oh, your tits are going to look gorgeous once I'm done, you'll see.

I love tied tits.

(FX: begin rope tying sounds)

First one...then the other.

This will make your tits stand up and out.

There we go, that's one.

How's it feel?

You'll get used to it.

Almost.

There we go!

(STOP TYING ROPE)

Stand up straight.

Mmm, fucking beautiful.

Not quite.

We need one more thing.

Pass me that bucket.

Clothes pegs.

Oh yes.

Hold still.

(FX: rattle clothes pins)

When I'm done, you're putting that shirt on, and we're going outside.

[GLEEFUL]

Damn right with your tits tied!

Won't you be embarrassed when the neighbours see you?

Put it on!

(FX: rustle fabric)

Look at yourself.

Exactly.

Everyone will be able to see something's not right under your shirt.

They're going to know what a pervert you are, parading around with your tits on display.

Come on, honey!

Let's go check the mail.

(FX: unlock, open, & close door)

(FX: neighbourhood ambiance begins)

[ENCOURAGING]

You can so.

(FX: outdoor footsteps begin)

[TEASING]

What's the matter?

You're not scared of the elderly couple next door, are you?

Mhm.

A naughty, naughty pervert.

[CALLING OUT]

Afternoon Mister Smith!

Arms down, don't try to hide!

You say that, but I bet you're getting excited too, aren't you honey?

[AMUSED]

You need to speak when I ask you questions, not whimper.

One more time, stand up ***straight***.

[TEASING]

Aren't you going to check the mail?

That's why we're here, after all...

(FX: open & close mailbox)

[CALLING OUT]

Hi Mrs. Lee!

[CALLING OUT]

Just fine, thanks?

You?

[MERCIFUL]

Alright, honey.

I think I've shown you off long enough.

Back inside.

(FX: outdoor footsteps begin)

(FX: open & close door)

(STOP OUTDOOR AMBIANCE)

The look on your face is priceless.

How are your tits feeling?

Sore yet?

I'll untie you, shirt up.

(FX: fabric rustle)

Mmm, what a fucking sight you are.

I just need to...

(FX: flick nipple with wooden spoon)

[AMUSED]

Nothing like gettin' your nipples flicked when your tits are tied, huh?

Sure.

Hold still.

(FX: untie rope)

Look at yourself!

Those are absolutely beautiful lines on your skin, touch 'em!

They'll fade in a while.

But 'til then, every time you feel your skin, every time you look down, you're gonna remember something.

That you wanted this, honey.

[REASSURING]

And that's alright.

'Cause it's okay to want things, and it's okay to get 'em.

It absolutely is.

And the next time you want it, you just come right on back to *me*, understand?

(FADE-OUT)
