Story 1 Sticks and Stones

By Davis, Stella, Jonas, Damien

Sticks and Stones came to our school in March. First, they started with a Puppet show. It was about a puppet named Melvin and a piece of tinfoil named Ralph. Melvin was being mean to Ralph at school. For example, he did not invite Ralph to his birthday party and his feelings got hurt. This made his tinfoil body start to crumple. Our class got to try out instruments. The instruments were made out of recycled materials such as; a dryer, buckets, kitchen pots, and an old washing board. In the end, the second graders put on a show with the instruments and they sang a lot of songs.

Story 2 Makerspace

By Natalia, Callie and Madelyn

The Makerspace is a fun and creative place for a child to show their thoughts. At the Makerspace during math Miss Brennan gives

us challenges to try. For example, we created fraction dinner tables. We have also made houses to protect us from lava and shelters if a tornado is coming. Some kids have donated recycled materials and craft supplies to our Makerspace. Many teachers think kids shouldn't have a Makerspace because it gets messy, but our class takes very good care of ours. The Makerspace is a place for children to use their imagination. So that is why our class thinks the Makerspace is a fun place!

Specialists

Gym by Colin

This month we are playing basketball in gym. There are three basketball teams. We have four warm up stations which are; basketball, jumping corner, workout corner, and ball and hula hoop corner. At the end of March, we are playing mega soccer.

Music by George

In Music, Thursday April 4th, we are going to have our concert.

We are practicing the recorders and we are practicing concert songs like: *Your mother Should Know* and *Black Socks*. On the recorders we are practicing *Popcorn Bag* and *It's raining It's Pouring*.

Art

By Hadia

In art we are working on portfolios. Parents can see the art projects we have done at Open House

Library By Hadia

In library we are reading The Only Thing Worse Than Witches. We are also excited for the Book Fair!

INTERVIEW WITH MRS. MEEHAN

By Owen and Julio

What inspired you to be a gym teacher?
I loved teaching and I loved playing.

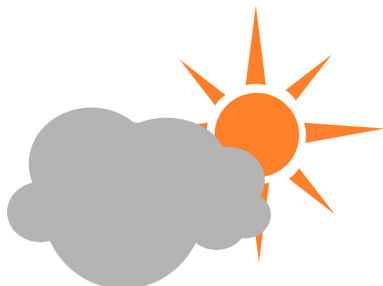

Where did you go to school?
Bridgewater State College and Salem State College.

Did you play any sports when you were little?
I played softball and volleyball.

What's your favorite game?
My favorite game is Capture the Flag.

What town do you live in?
Seabrook, NH.

What's your favorite sport?
My favorite sport to watch is gymnastics. My favorite sports to play are softball and baseball.

Weather

By Abigail and Quinn

JOKES

By: Riley Jonah James

**Why does the pig go to the salon?
Because he wanted a mud bath.**

**Why do pigs have curly tails?
Because they eat too many curly fries!**

**What does a pig say when someone saves him?
You saved my bacon!**

**What did the pig say to the rooster?
Cock- a doodle Oink!**
