2. The mission of the Teaneck Special Education Parental Advisory Group (SEPAG) is to facilitate proactive collaboration and honest communication among parents, students, staff, the Board of education, and the community. To that end, we will develop and sustain a supportive partnership to ensure the delivery of appropriate services for our students with special needs. We acknowledge and celebrate the diversity of our community and continuously promote equity and inclusion.
3. Concerns regarding transitioning back to traditional instruction.
4. Support and guidance for Transition points and planning in an educational journey - e.g. EI-prek3, middle to high school, high school to post high school
5. What are we doing to move the needle forward?
6. Why were all children with IEPs not provided the option to return to in person school?
7. How is the district determining if the current remote learning model is working for children with IEPs?
8. Student privacy concerns and suggested strategies to avoid certain situations during instructional time.
