Hawai'i Ku'u Home Aloha 2024 Summit

The [Native Hawaiian Place of Learning Advancement Office](#) invites all students, employees and community members to the [Hawai'i Ku'u Home Aloha 2024 Summit](#), a free three-day event on the UH Mānoa campus January 16–18, to deeply center ourselves around the past, present and future of our cherished [‘āina](#) that nourishes and grounds us.

Hawai'i Ku'u Home Aloha, Hawai'i my beloved home, encourages our campus community to gather together and honor Hawai'i, our lands and environments that constitute this beautiful place we call home.

You'll have opportunities to attend events and workshops on [oli](#) and [mele](#), and each day will focus on a different perspective of engaging with 'āina: the past historical legacies of our changing landscape, the present and how we can be deeply engaged with our lands and bodies, and the future with the dreams we have of our home aloha.

UH Mānoa is a [Truth, Racial Healing, and Transformation Campus Center](#).

We humbly ask you to intentionally pause with us to mark the remembrance of the January 17 overthrow of the Hawaiian Kingdom and honor the legacy of Dr. Martin Luther King Jr. throughout the summit's events and workshops as we continue to learn from one another.

We are honored to welcome racial healing advocate Dr. Gail Christopher and Kumu Hula Kekuhi Kanae Kanahele Keali'ikanaka'olehaililani as keynote speakers on the final day of events.
