

Elementary School: Oldham School

Weekly Online Learning Plan

Dear First Grade Families,
I hope you are all well! I miss the children very much! We have adjusted some of the activities on this week's template but we are still encouraging your child to read every day and practice their math facts! We appreciate all of your support!

Stay well!
Mrs. Stevens

Monday	<input type="checkbox"/> Read for 15 minutes. <input type="checkbox"/> Write 3 sentences using the trick words: could, should, and would. <input type="checkbox"/> Practice tying your shoes! <input type="checkbox"/> Play Addition Top-It.	Epic (available from 9-3; our class code is: aeb7039)
Tuesday	<input type="checkbox"/> Read for 15 minutes. <input type="checkbox"/> Look through the book you read and find 5 nouns. <input type="checkbox"/> Play a board game with your family.	Play Freckle (our class code is: uq2dqw) This can be found by clicking on the elementary math link.
Wednesday	<input type="checkbox"/> Read for 15 minutes. <input type="checkbox"/> Retell the story to someone at home. <input type="checkbox"/> Practice addition facts within 10.	Check out the National Geographic Website using Link below for access to our reading program
Thursday	<input type="checkbox"/> Read for 15 minutes. <input type="checkbox"/> After you brush your teeth, tell someone the steps in order. For a challenge, write a "how-to". <input type="checkbox"/> Practice subtraction facts within 10.	
Friday	<input type="checkbox"/> Read for 15 minutes. <input type="checkbox"/> Write about something you did today. <input type="checkbox"/> Practice identifying the name and value of coins.

Hi Families!

Myngconnect.com is a National Geographic website that accompanies the reading program

we are piloting.

Students can access games, videos, stories and more. All students have logged on and tried playing the games during the last two weeks. This might provide a new educational website for them to visit over the course of the next few weeks. The login is your child's graduation year (31) then first initial, last name. So if I was

logging in it would be: 31gstevens. The password is nps, then their 5 digit lunchcode, so my password would be nps12345.

<https://www.myngconnect.com/>

Your child's login username is: 31firstinitiallastname

His/her password is: Nps5digitlunchcode

If you have any trouble logging in or your child does not know his/her lunch code, please email me! -Mrs. Stevens
