Notes: Richard loves Pokemon. His doctor told him that his love was more of an 'obsession' and that it was 'unnatural'. Heh, yeah right. Richard loves Pokemon and that's all there is to it. His doctor kept trying to tell him that he was sick and stuff, but eventually gave up and just made him take medicine two times a day. Now he gets to go on an adventure! There will be Pokemon and stuff everywhere! Maybe he will find the one that keeps talking to him in his head.
