

THE CHURCH AT RIVER MILLS

Welcome to RIVER MILLS KIDS

Our Beliefs

- Children are a gift from God.
- The church has a responsibility to support families as they strive to live a life that honors God.
- Children's Ministry is a tool for teaching children about God.

What We Do

We provide Bible-based, age-appropriate instruction for all children in our Children's Ministry. We deliver interactive lessons through a balance of large and small group experiences. We include play in much of our instruction and strive to build relationships with our children as well as partnerships with families.

What to Expect

Check In

You will check your child/children in upon entering our facilities. You and your child will receive a "security tag" upon check in. Attach your child's to clothing or bag. Be sure to hold on to yours.

Drop Off/ Pick Up

When your child arrives at the correct room, he/she will be greeted by a volunteer and learning will begin. Only parents or 16+ yr olds will be allowed to pick up children after presenting security tag.

Safety

We strive to keep your children safe. All volunteers are background-checked and safety trained. In addition, our safety team has the same training and is present throughout our services to monitor the building. Our toys and rooms are cleaned after each service as we strive for a germ-free environment.
