Thesis

Today, I heard the news that the police have arrested Bjorka. I don't think the Man that the police have arrested is Bjorka because he doesn't have a computer. I strongly believe that people who don't have a computer can do hacking activity.

In my opinion,the police can be more careful in dealing with cases so a case like this will not happen again.

Although,the police got it wrong that's real news.
.....
.....

Argument 2

According to the news,the police made a wrong arrest in dealing with the case.
.....

Consequently,people who are not guilty can be arrested by the police
.....
.....

Reiteration

In conclusion, the police were not careful due to arrested the wrong person
