on call number 5125421682

Texas National Guard Family Support

Foundation: <https://www.txngfsf.org/how-to-apply-for-assistance>. Member will also need the attached Letter of Good Standing filled out and signed by leadership to put with their application package.

Air Force Aid Society: www.afas.org

Red cross notification:

4.c.1.a Service members whose significant others give birth will have a Red Cross message sent to the JOC, JOC will notify designated TF; and the member will be sent home on PASS (Coded in PEMS) for 4-7 days (including travel time to HOR and to AO). In the event there is a medical emergency that would require the member to remain home longer than the 7 days, medical documentation will be submitted through TF S1 channels for review and approval of extended pass or termination from orders, with a future date to return to duty. Red Cross Notification will be communicated to the Red Cross first at (877) 272-7337

Shirts, check out this resource listing for military airfare. We've got people who fly for pass, and I've had some that have flown to visit ill and injured family members. The "Air Charity Network" (first entry) is probably the most relevant.
