

Authorization for Internet Photo Publication

We do many fun and exciting things in third and fourth grades, and I like to document those things with photographs. I also like to share those photos with others via my personal Facebook page as well as my blog. Please complete and sign the following giving permission for your child to be photographed and for those photos to be published on the internet. I am friends with many of my students' parents on Facebook. If you would like to send me a friend request, please search for "Tina Keatts McLemore" to find me and send a request. I normally try to tag parents on photos when I post them.

Mrs. McLemore has my permission to photograph my child, _____,
and may publish his/her photograph on the internet for sharing with others.
