

2025-2026 Grant Program

Supporting Educational Enrichment, Environmental Studies & Innovation Projects

Project Narrative: Please limit your project narrative to 1-2 pages, as described under the section headings below.

Overview:

Briefly describe the project you are proposing. Describe the educational need that this project addresses, linking it to the educational standards and priorities of the Wakefield Public Schools. Highlight any key milestones and describe the overall timeline for the project.

Goals and Objectives:

What specifically do you hope to accomplish as a result of this project? How will you know if the project is successful?

Roles and Qualifications of Key Participants:

Who will carry out this project? What are their qualifications for these roles?
