Welcome Back! 😊

We hope your week has been fantastic!

This week, we'd like to introduce ourselves 🙋

(Above, Left) My name is Ethan Ram**chuk**, a young university student born and raised in Kelowna, British Columbia. I moved to the East Coast to pursue my finance degree at Dalhousie University. My values lie in building long-lasting relationships with you and Varchuk Property Services.

(Above, Right) My name is Finbar **V**arett**e**, a young university student who grew up in Ottawa, Kingston and Kelowna. Currently pursuing a finance degree at Dalhousie University too, my

experience in the East Coast has been amazing. My values lie in meeting everyone, and helping you explore the Varchuk Advantage!

We started Varchuk Property Services because we noticed a lack of professional home exterior services that provided satisfying customer care in the HRM.

When you choose to support Varchuk, you choose to support you & your home's needs.

P.S. Next week's email will cover “**How to enhance your home for the fall season** ✨🍁🦃”

Warm Regards,

Varchuk Property Services
