Hi Neighbors,

We have added several contacts to our distribution list through various means, so I wanted to start with a quick intro for those who don't know. My name is Stephanie Williams. I live on White Oak, and together with Julie Byrd on Briar Cliff, we are leading an effort to raise money to repair/repave our roads. **I have reattached our detailed plan and a pledge form for those of you new to this distribution. I hope you will take some time to read and digest it, and please reach out with any questions or concerns.**

I have a few topics for this update:

1. First and foremost, **thank you so much for all the pledges that have come in over the last week! Our current total pledged for Phase 1 is up to \$28,000! If you haven't turned in your pledge form, please return it ASAP.** We are beginning our "ground game" and will be reaching out directly to those we haven't heard from, as we still have much progress to make to reach our goal.

2. This is a **gentle reminder to those of you who pledged monthly contributions to please send your August payment if you haven't already** done so. 😊

3. **A few of you who pledged a lump sum instead of monthly** have asked when we need that money collected. We are requesting if at all possible to **please make that payment by the end of the year.** With the March 31st deadline we've given ourselves to collect \$40,000, **we need to know exactly where we are as we head into January.**

We want everyone to feel comfortable with our plan, confident that it can work, and willing to support it. If you are not at that point, please reach out with any questions or concerns. We would love the opportunity to talk with you!
