

Guess The Hidden Number

Players: 2-4

Materials: Hundred Chart, Counters

1. All players except player 1 close their eyes.
2. Player 1 covers 5 numbers on the hundred chart. The numbers can be anywhere on the chart.
3. The other players look at the hundred chart. They use clues to tell which numbers are covered.
4. All players check to see if they are correct.
5. Keep playing. Take turns covering the numbers.
