

PRIVACY POLICY

This Privacy Policy is provided to indicate what information is collected from you and how that information is disclosed for the app Big Digital Clock - FullScreen, which belongs to sarierdnc.

sarierdnc collects non-personal device information (such as device language, brand and model, Android / HarmonyOS version, service version, etc.) and general location (for example: FRANCE) to determine the user base, detect errors, and improve services more effectively. This information is not used in any other way and is not transferred to third parties. Therefore, you can use the services with peace of mind for your children and young people, and share them with your loved ones.
