Welcome to LEMAM!

My name is Leo Li, and I'm responsible for maintaining and updating our group website. I'd like to create your profile on the site and would appreciate it if you could share the following information if you're comfortable doing so:

- Full Name + Title
- Current Position
- Educational Background
- Research Interests
- Hobbies
- Office Location (if available; otherwise, TBA)
- Email Address
- Links to Professional Profiles (e.g., Google Scholar, LinkedIn, ResearchGate, GitHub, ORCID, etc.)
- A Photo for your profile

For reference, you can take a look at the current website to get a sense of the format and content.
