

# Inspiration

In no particular order

## **Shigetora/Chocomint**

The one who introduced me to 'the game' and the world of loved and graveyard beatmaps

## **WubWoofWolf**

What an icon. What a great singer and player

## **sayonara-bye**

The motivator. Still holding and taking inspiration from that legendary speech since I found it to this day

## **Hvick225, rustbell, oxycodone, adamqs**

Inspiration in pushing limits and grinding

## **rrtyui**

Huge mindset inspiration. The troll miss and binding the smoke key was the gate for a new way to enjoying the game for me

## **osu420, noodleshredder**

Thank you for changing my mind about how I see the NF mod. And for that, thanks for introducing me to the new way of enjoying the game

## **MinG3012**

Thanks for introducing me to how cool low-acc FC score is.

## **-GN**

Thanks for introducing me to the 2b and gimmick maps and for being the gate for me to the low AR and FL world

## **Verto**

I still owe him for that 'guide to osu! community' video

## **siina, AR11 players, FL players**

Huge inspiration for pushing the potential of 4&5 stars diff
