

GEAS Auction

2:30pm on the 31st of March 2018 at Red Dice Games

Due partly to storage constraints GEAS is holding an Auction of parts of their Library! This is not a GEAS members only event, if you want to come, and you can make it, then come. Remote bidding will not be allowed although if you can find a friend to proxy for you on a lot then feel free to send them along.

We'd like to thank the wonderful people at Red Dice games for allowing us to steal their venue for the auction (and allowing us to introduce you to an amazing online shop and a sensational gaming space). They are at 125/2b Great Junction Street (EH6 5JB), go in through Spilt Milk Social Club and you turn right then go down the stairs and follow the signs. (We are sorry that this venue is not disabled accessible). (Go down the stairs then straight through the arch, turn right straight on and on the left)

Some 400+ items will be auctioned in 80+ lots, these are all ex-library items and are sold and bought as is. The lots are sets of systems or backgrounds or both. Some items are even signed. Provisionally the lots are as follows, this will be updated as they are prepared and put into bags. We can't guarantee auction order and some will have reserve prices, we are hoping to be quick. It will start at 2:30pm promptly and unfortunately will have to be cash only.
