

[Intro] A E F#m D Bm E

[Verse 1]

A E
Winter snow is falling down
F#m A D
Children laughing all around
A
Lights are turning on
Bm E
Like a fairy tale come true.

A E
Sitting by the fire we made
F#m A D
You're the answer when I prayed
A
I would find someone
Bm E
And baby I found you.

[Chorus]

A D E
And all I want is to hold you forever
A D E
All I need is you more every day
A A#m7
You saved my heart
F#m B7
From being broken apart
A
You gave your love away
E
And I'm thankful every day for the gift.

[Interlude]

A E F#m D Bm E

[Verse 2]

E B
Watching as you softly sleep
C#m B A
What I'd give if I could keep
E
Just this moment
F# B
If only time stood still.

E B C#m
But the colors fade away
E B A
And the years will make us grey
E
But baby in my eyes
F# B
You'll still be beautiful.

[Chorus]

A D E
And all I want is to hold you forever
A D E
All I need is you more every day
A A#m7
You saved my heart
F#m B7
From being broken apart
A
You gave your love away
E
And I'm thankful every day for the gift.
