Teacher Appreciation Week Help Needed!

MVES has some of the best teachers around. We are calling on you again this year to help us show our love and support for them by providing fun treats throughout the week. This year's theme is "Thanks for Helping Us Grow". The PTO has planned treats like a Dirt Cup bar, a lunch time salad bar, and a gift card raffle. If possible please have items to the school by no later than 9am on Monday, May 4. Thanks for supporting MVES, our teachers, and the PTO!

Parenting Corner (The One Pager)

Believe it or not, we have entered the time of the year when we really start thinking about next year! As we prepare for next year, we have started creating class lists (this process remains somewhat fluid until just before school starts because of a number of variables that can change over the summer: students can move; teachers can move; etc.). During this process, we look at various pieces of data: reading ability, academic strengths, social development, etc. and we would like a piece of data from you! While we obviously can not entertain parents requesting specific teachers for their child(ren), we would love some specific input from you and your child(ren)!

Your child should be bringing home today (or it could be Monday) a piece of paper that has four large, blank boxes on one side and is titled "One-Pager" and on the other side has specific questions on the back (a Spanish version is also going home). The "One Pager" asks for kids (and parents) to identify the students "Strengths, Preferences, Interests, and Needs" (S.P.I.N.). Please take some time this weekend or early next week to complete this with your child(ren) and then return it to your child's teacher. For some more information (and a digital version you can complete and return to your child's teacher), please go here:

Field Day

Mark Your Calendars! Field Day will be held on Friday, May 29, and we need your help.

Field Day information letters have been sent home with your child and they are easy to spot on bright pink or yellow paper.

We are looking for parents who can volunteer their time that day from 8:30-12:30 to help us run the stations. We are also looking for donations of supplies such as softball sized splash balls, Bubble Wand Tubes, and Bunch 'O Balloons rapid fill water balloons. If you are able to help out in either way, please fill out and return the bottom portion of the paper to your child's teacher.

Field Day is always a spectacular event at MVES made possible by all of our parent support.

Thank you!

Ms. Botkin and Mr. Harris

PE Info

Just a reminder with the warmer weather; please help keep your child safe in PE and at recess by having them wear their tennis shoes to school each day!

Poster Contest

The Shenandoah Valley Soil and Water Conservation District is sponsoring a local poster contest for students again this year! The local contest will feed into the state and national level poster contests. The topic for this year's poster contest is "Soil. Where it All Begins" Attached you will find the local rules, local entry form and other resources.

PowerSchool

The parent portal is an online portal accessible anywhere on the web that parents can log in to and see all of their children in one place, their grades, assignments, scores, attendance, schedules, and teacher comments for each school your children attend.

Parents need to contact the school to get access information to create an account in PowerSchool.

Transportation

All transportation changes must be made by 2:00pm. Please contact the office at 540-438-1965 or you may send an email to mvesattendance@rockingham.k12.va.us with your change. If you've notified your child's teacher please be sure to notify the office as well.

Attendance

If your child is going to be absent from school, please call the office at 540-438-1965 or email mvesattendance@rockingham.k12.va.us. If you are planning to take a vacation or your child will be out of school for an extended period of time, please contact the office.
