Hello Secondary First-Year Teachers,

Thank you for joining us this week for Session 2 of Humble Beginnings. We know that being off campus can be difficult and appreciate your engagement during our sessions.

A few quick follow-ups from our first session:

- Complete the [session feedback form](#). This form provides us information to help meet your needs as we develop our future sessions.
- Complete the Beginning-of-Year Survey to help us plan upcoming sessions. Some of you may have already completed this. You do not need to complete this a second time.
