"This Mobile app Privacy Policy ("Policy") applies to users of mobile apps with "Shivrtna Multistate Cooperative Credit Society Ltd Kashti" in any mobile application that we own and control. In this Policy, the term 'Shivrtna Multistate Cooperative Credit Society Ltd Kashti' refers to our affiliates or subsidiaries. This Policy describes how the mobile application collects, uses, and shares information from or about you, and explains how the information may be shared or used."

Contact List :

The App requests permission to collect your contact list to facilitate mobile recharge services for friends and family. This enables the automatic detection of reference information from your contact list during runtime, making it convenient to recharge mobiles and make bill payments for your contacts.

1. Storage :

Mobile Banking App accesses the Internal Storage of the user to store Documents such as mini statement & QR code image.

- Image Data

Collection: Our app collects QR code images from your device's camera or gallery to facilitate UPI payments.

Purpose: We use this image data exclusively to extract payee information from the QR code for processing the payment.

Storage: QR code images are temporarily stored on your device to complete the payment transaction and are deleted immediately afterward.

Sharing: We do not share QR code images with any third parties.

2. Phone State :

Purpose: Device Authentication

Usage: The Phone state permission is employed for security purposes, specifically for device authentication. This helps in registering and identifying the device securely within the Shivrtna Multistate Cooperative Credit Society Ltd Kashti Mobile App.

3. Bluetooth :

The Mobile app uses Bluetooth to connect the printer for printing collection receipts through the Shivrtna Multistate Cooperative Credit Society Ltd Kashti mobile collection app.

4. Phone Call :

The Loan Recovery App utilizes this permission to enable recovery officers to call loan holders for the purpose of loan recovery.

5. Camera :

For the convenient Scan and Pay facility, we request access to your device's camera. This permission allows you to scan QR codes effortlessly, ensuring a secure and efficient payment process, also the camera maybe used to take pictures of documents or mortgages.

6. Location:

App utilizes location permission to enhance security and prevent fraud. This feature ensures user safety and facilitates geo coordinate based login process.

7. Voice Command:

App provides the option to use mobile app services through voice commands. We use voice recognition technology solely for this purpose, ensuring a hands-free and accessible banking experience. Your voice data is processed securely and is not shared with external parties.

Log Data

App may collect log data for analytical purposes, helping us improve the app's performance and user experience. Log Data maybe used for debugging and security checking of our app. This information may be used by our developers to identify and resolve technical issues and failures. Log data does not personally identify you.
