Describe your previous job as an House Keeper?

Housekeeper Is our main job, we study it and practice it practically. We gained certificates on it. My experience in Housekeeping is to clean every room after the guest left the room. We need to make sure that before the guest entered their room it is almost clean. We need to assured also the safety of our guest while staying the hotel. And I need to remove all the dirty things. Also I need to follow the proper strategy in housekeeping.
