Apr 15, 2026 | SHAC Meeting IV

Attendees: Tonya Drake, Amy Hodges, Charlotte Hussey, Jacki Wright, Lisa Marshall, Meagan Pruett, Cyndi Mauldin, McKenzie Marek
Notes

- Review of items discussed in previous meeting
- EKG company will not be able to participate in our physical night. Considering options to offer for next school year
- Meagan Pruett discussed of Mr. MERT(Medical Emergency Response Team)
  - Team composed of staff members who assist with medical emergencies in the school building
  - Members are CPR certified
- Jacki Wright reviewed our emergency response app called Raptor
  - Staff members can initiate drills (lockdown, fire, weather event, hold, etc) through the Raptor App
    - Substitute teachers have iPads with the Raptor app
  - Staff accounts for self and students through the app and adds their location in the school
  - Jacki Wright shared how the Raptor Alert System was used on Monday at the middle school when a false threat was made.
  - After the incident has been lifted, parents receive an email with information on the incident.
- Parent attendees were given the ability to ask questions concerning safety in the schools
