Simon Smith  
Busy Bees  
Gorleston  
Great Yarmouth  
Norfolk

Dear,

Please accept my application for the Nursery Practitioner Level 3 position advertised on Indeed and other sites. I have 9 years experience working as a Early Years Practitioner/Co-Educator in various Nurseries/school establishments with children from babies through to 19 years (Special Education School) and I am hoping to continue to develop my skills further and progress in my career.

I am well qualified and have completed a range of qualifications related to my work as an Early Years Practitioner/Co-Educator. I believe I would be a great asset to the Nursery due to my past experiences working with children especially with SEND needs in a Nurseries/school environment, and are hoping to utilise my extensive knowledge of child development to foster a positive learning environment. I am deeply devoted to educating children and I am prepared to do whatever is necessary to provide the best learning experience to every child I work with.

I am very organised, work well as part of a team, and am motivated to support the social and emotional development of the pupils I work with. In my present role I have received only excellent reviews and have built great relationships with children and fellow practitioners. My professional experience, additional qualifications, and willingness to continue expanding my knowledge are what make me the ideal candidate for this position.

I have attached my CV for your consideration and would love the opportunity to bring my skills to Busy Bees Nursery to help create the best environment for your children to learn and thrive.

Thank you for your time and consideration

Sincerely,

Nicola J Cossey
