Protestant Worship Service: Space Exploration – Navigating by Faith

Join us this [Sunday morning] for an interactive, youth-led worship service as we explore God's vast universe! Featuring dynamic scripture readings, familiar upbeat music, a 5-minute deep-dive sermon, and a lighthearted live Scout skit (*"Lost in Space"*), this service connects our weekend space theme to our Duty to God.

Youth Actors Needed! We need 4 Scout volunteers for our skit and 6 readers. Meet at the [chapel area] 15 minutes before the launch countdown! All are welcome.

2. Roundtable Announcement Script

(Target duration: ~60 seconds | Audience: Unit Leaders & Committee Members)

"Good evening, leaders. As we gear up for the upcoming camporee, I want to take a quick minute to highlight our [Sunday morning] religious services. Duty to God is a foundational pillar of Scouting, and camporees offer a unique opportunity for our youth to practice their faith together in the outdoors. This weekend, we're debuting an energetic, interactive Protestant service designed around our Space Exploration theme. It's youth-led, features a fun skit, and delivers a quick, high-impact message that ties the cosmos right back to their daily lives.

Please encourage all your Scouts and leaders—regardless of which specific service they attend—to participate in [Sunday morning] worship. It sets a great example for our youth, reinforces the Scout Oath, and finishes our camporee weekend on the right foot. Check your leader's guide for service locations and times, and make sure your troop schedules time to attend!"

3. Flagpole Announcement Script (Youth Reader)
