**There are many
things that I cannot
see**

**But I feel them just
the same
Like the wind on my
face and my beating
heart**

**And rev'ence for the
Savior's name
And just as Jesus
gave sight to a blind
man**

**When He lived so
long ago
He can help me see
all that I can be**

**As my testimony
grows
I know He lives!**

I know He Lives!

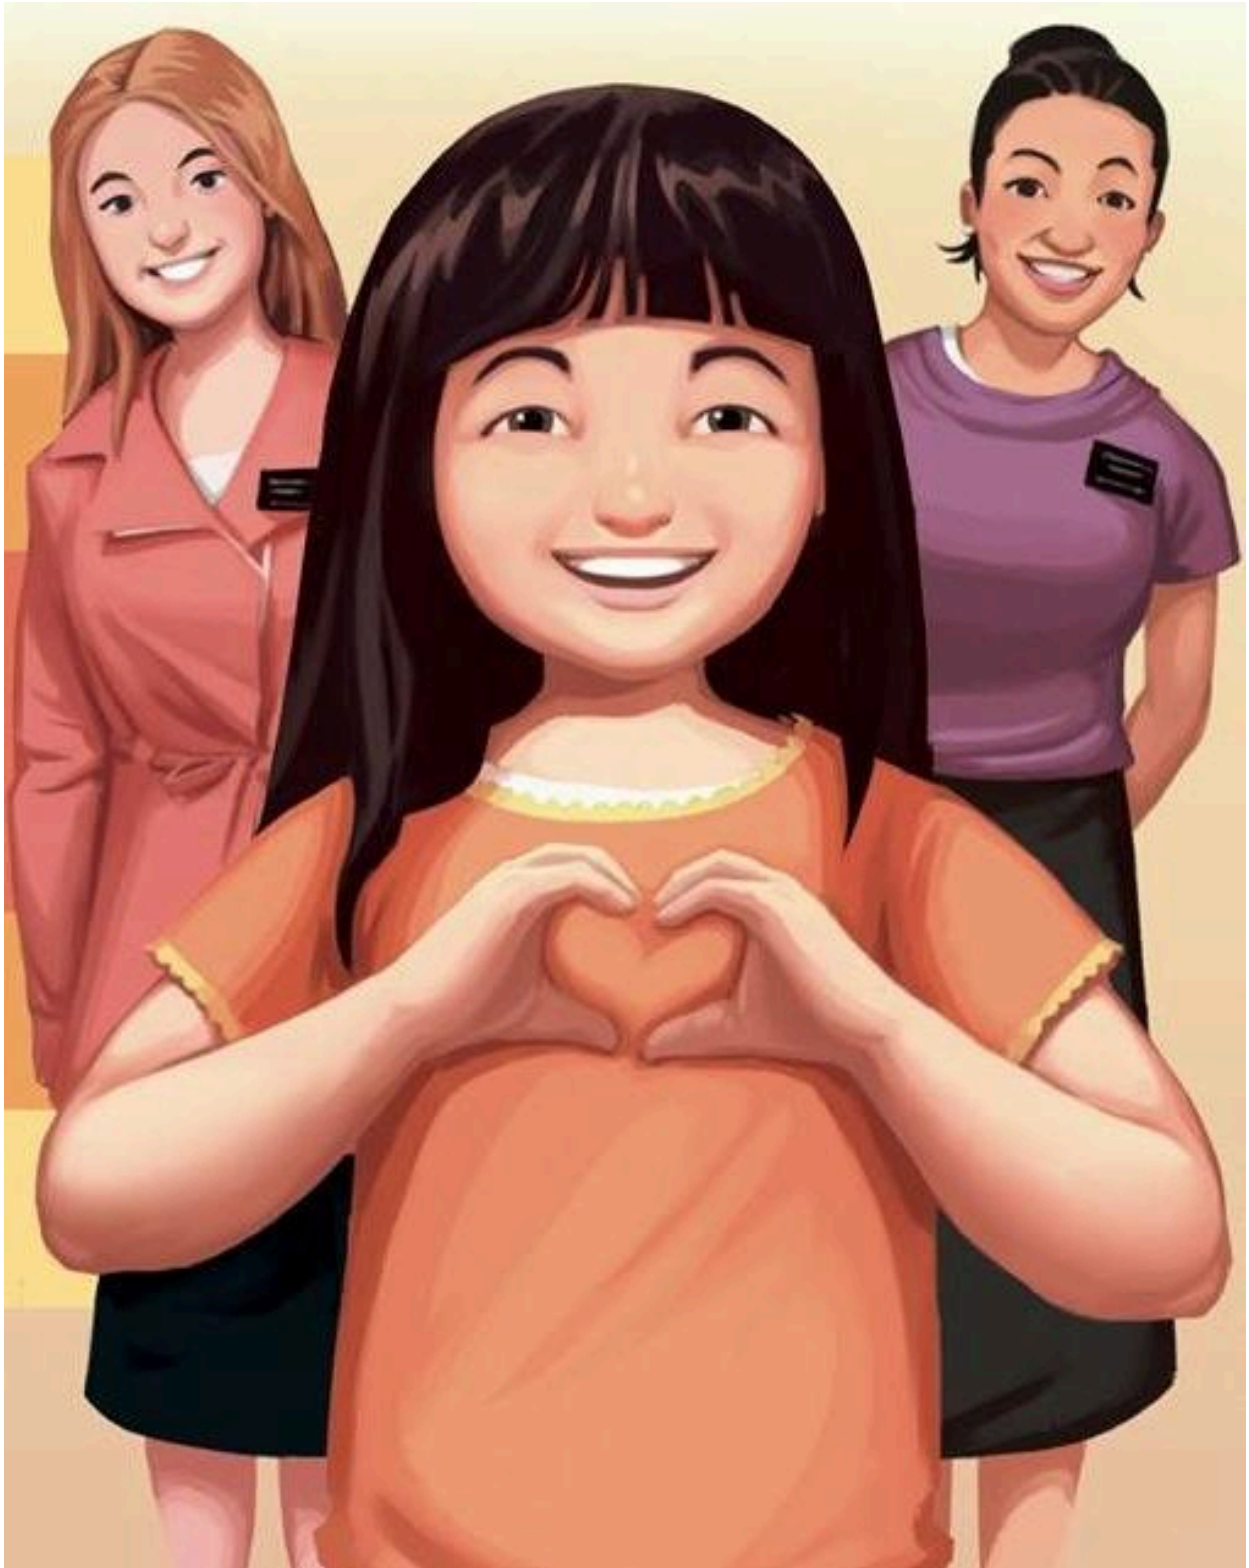

He gave the world all that He could give

**And I will give Him
the heart**

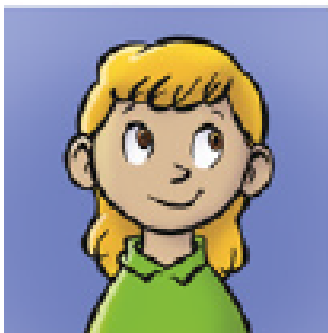

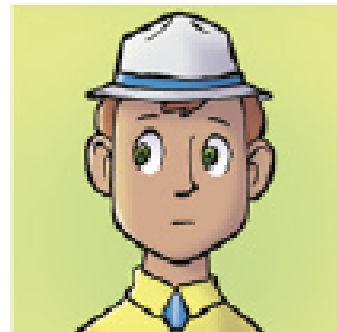

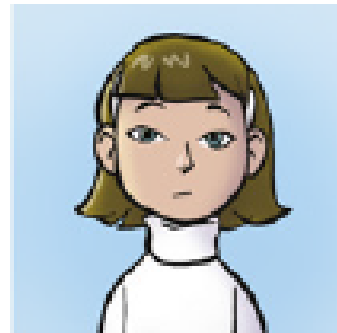

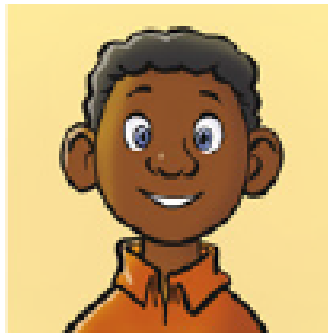

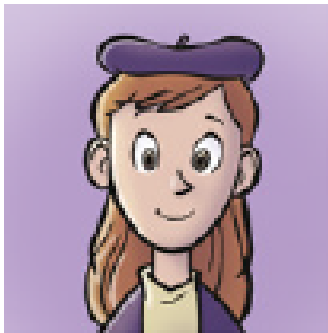

That He gave to me

And tell the world

I know that He lives

There are many people upon the Earth

**And He loves them all
the same
In this great big
world, whether old or
young**

**Ev'ry one of them has
a name**

**And just as Jesus
helped God's children**

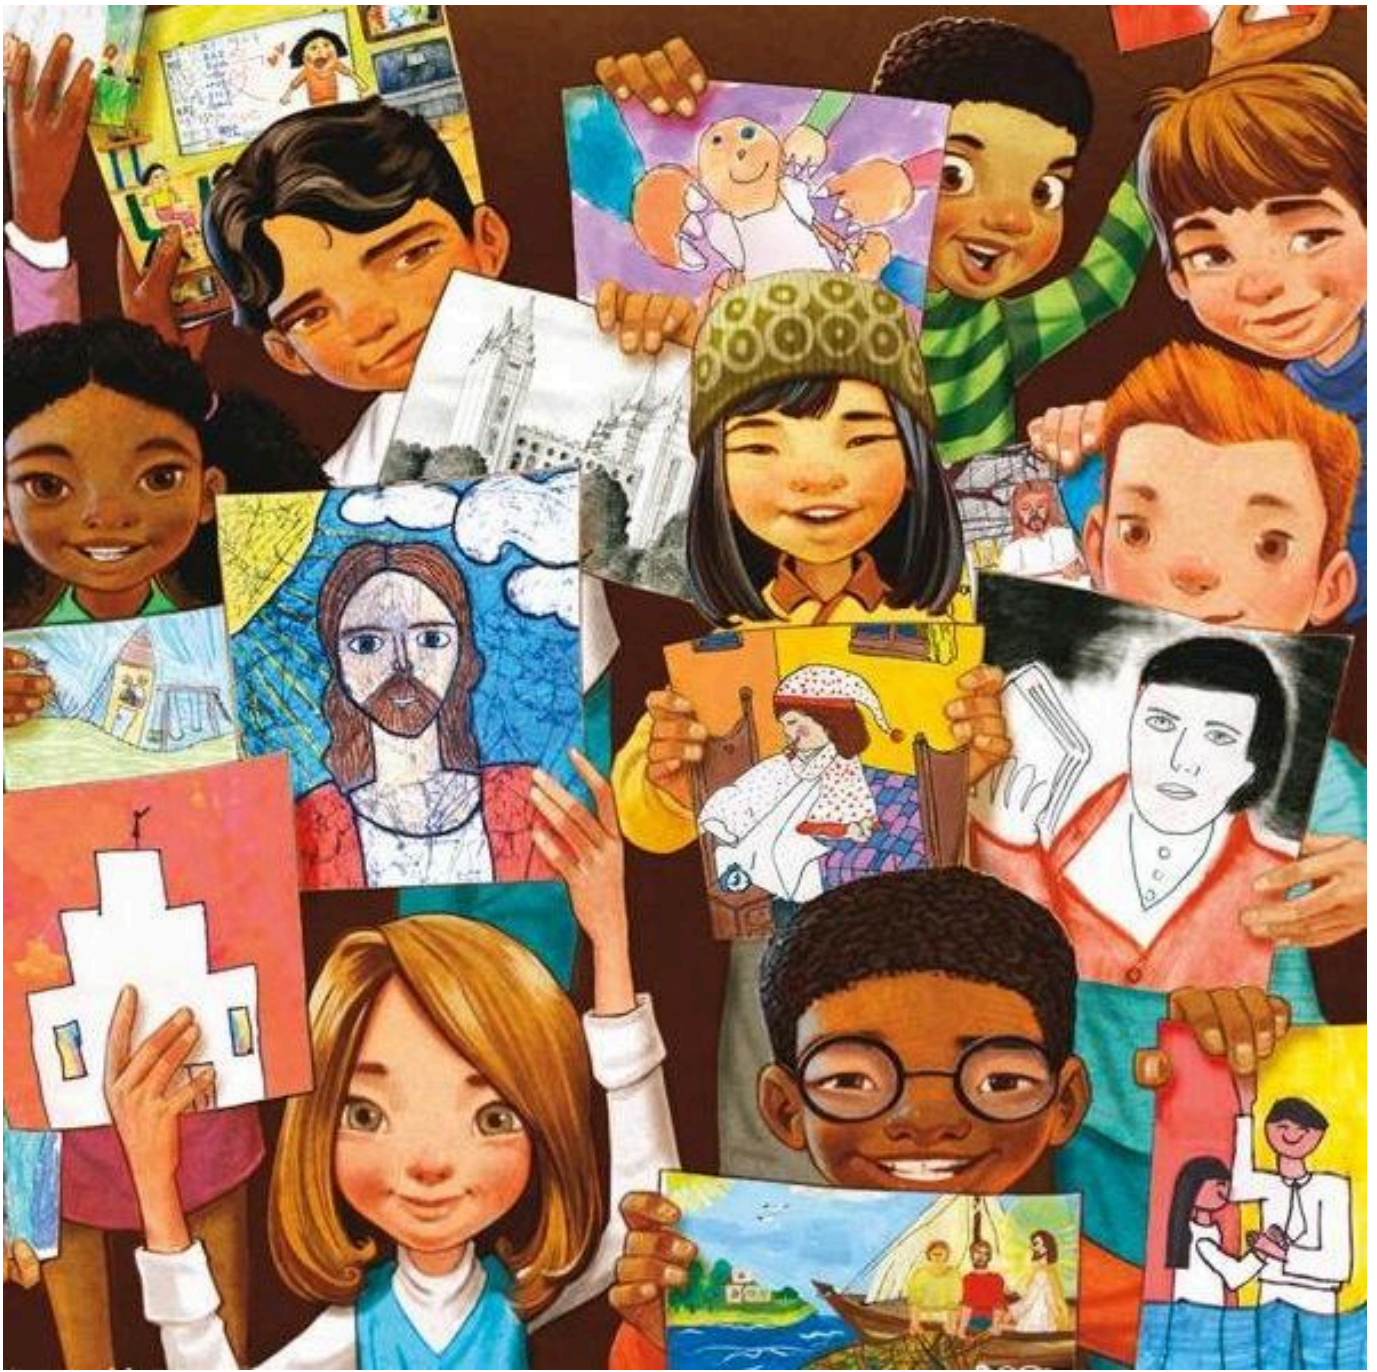

**When He lived so
long ago
I will find a way to
show love each day**

**And share the things
I know
I know He lives!
I know He Lives!**

**He gave the world all
that He could give
And I will give Him
the heart**

**That He gave to me
And tell the world**

**I know that He lives
I know He lives!**

I know He Lives!

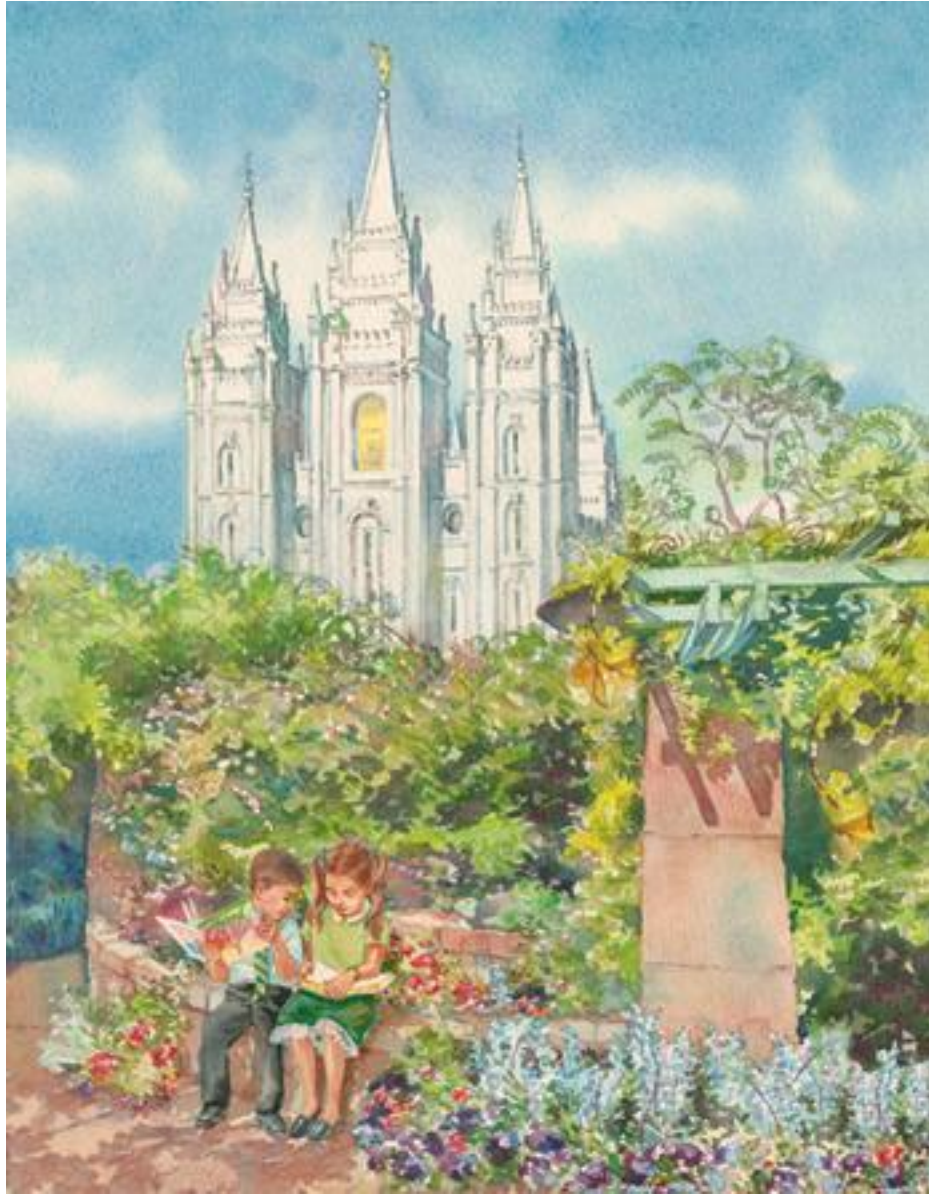

He gave the world all that He could give

**And I will give Him
the heart**

That He gave to me

**And tell the world I
know**

I really, really know

**I want all the world to
know**

That He lives!
