[door opens] You're home! **[tackle sfx]** Master is home! I've been waiting all day for you to come home. I did everything you asked of me and then I sat right by the door and waited for you. Aren't you proud of me, Master? I did such a good job cleaning the house and making sure everything was up to your standard. I love you so much, Master. I've missed you so much. It's been such a long day without you. I got really lonely and had to find ways to entertain myself without you here. But now you're here and I don't have to be alone! I don't have to amuse myself with balls or stuffies, I can play with Master since you're home now! Master will play with me, right?…Thank you Master! I'm so happy you're home Master. I love you, I love when you're home with me, I love when we spend time together, I love how you make me feel. You are so good to me Master. I don't know what a puppy girl like me did to deserve such a wonderful man and loving Master. Also, I've been a very good girl today. Can I have a kiss, Master? Pretty please with a cherry on top?

[kiss] Can I have another one?…You feel so good, Master. I don't want to stop. Do I have to?…Thank you Master!…I just love how you feel underneath me. Grabbing my ass and twirling my tail in your hand, pulling on it gently when I get a little too excited. It feels so good having my tail pulled, Master. Everything you do feels good to me. Just having your attention on me is enough to get me hard, Master. I've been such a good girl all day. I only edged myself, I didn't cum once. I edged myself by humping my pillow and the side of the couch. I also used my hands a few times. But I didn't cum once, not even a little bit. Not even a ruined orgasm, Master! I did so good for you. I've been pent up all day long thinking about you. Thinking about how you prepared yourself this morning in front of me, placing a shiny plug inside your hole before leaving for work. I kept thinking about sliding my cock inside you all day, Master. I need it so badly. I'm desperate to fuck you, Master.

[kissing] Please, Master? Please let me fuck you. I've been well behaved all day. I controlled myself, I controlled my urges, got everything done you told me too. I know the plug is still inside you. It has been all day. Every time you sat down or went to the bathroom you felt it. Did you think about me in those moments? Did you imagine my cock sliding between your asscheeks and fucking you stupid, Master? Come on, you can tell me the truth. It's just you and me here. I want you just as badly as you want me. I can feel how hard you are underneath me, grinding my own hard cock against the fabric constraining yours. You want this just as much as I do, Master. You've been waiting all day to feel me inside you and now you're just being mean and making me more desperate by the second.

[kissing // fabric ripping] Too many layers in the way. Too much fabric on your body. I want to feel your skin against mine. I want to feel your warmth…Fuck, you feel so good, Master. I need more of you…You feel that? Our cocks rubbing against each other, mine dripping on top of yours easing the way. That's it, Master. Doesn't it feel good to rub against your puppy?..Mmmm, it feels really good to me too. I love how it feels against me, fuck. You feel so amazing, Master. Can I fuck you, yet? Please? I've been waiting for permission, I've been waiting for the green light. I just know the plug is glistening in the lighting, begging to be taken out and replaced with my own cock. Don't you want to feel me inside you? Fucking you, filling you up, stretching you out until you are left with a limp. Your puppy tends to get carried away sometimes but it's nothing you can't handle, right? After all, you're my Master. Ngh, love how it feels rubbing your cock against mine. Please let me inside, Master. If you don't let me in soon, I might burst all over your shirt right now. Can I fuck you like a good girl, Master?

[wet noise // metallic sfx] Thank you, Master! Thank you! I promise you won't regret it. **[wet noises start]** Mmmm, you feel good. Really good, Master. No matter how many times I slip inside you, you are always so tight. So warm and wet and tight, gripping around your puppy girl's cock. So good for me, Master. Swallowing my cock inch by inch over and over again until you are stuffed completely full. It feels so good to be fucked on my cock, doesn't it? This is what you've been thinking about all day. You couldn't wait to come home to me to get fucked by this dick. I know how you are, Master. You are insatiable with me, always wanting more. Better be careful, Master. I wouldn't want you to turn into a slut like me. Always wanting to fuck something, be inside a hole like this. So fucking tight, Master. You feel so good wrapped around me. Taking me so well, look at that hole of yours.

Mnf, that's right. Just like that, Master. Doing such a good job of taking me. And you love it too, don't you?…You work all day only to be fucked like a slut, Master. It's cute. You're just as desperate as me. Except, instead of getting excited to do the fucking, you are excited to be fucked. To have my cum stuffed deep inside your hole and then plugged right back up so that none of it goes to waste. Master loves the feeling of his Puppy's slutty cum inside him, doesn't he?…Of course you do, Master. You love everything that I do to you. I can't help myself around you. Everytime I see you my heart starts to beat faster and my cock starts to get hard. It is always a good day when I get to fuck you and get to make you cum. Getting you off, fucking you, it's my favorite thing in the world, Master. Making you feel good is the only thing I want to do. Ngh, so keep taking my cock nice and deep for me, okay?

…So good for me, Master. Yes. That's it. You're doing so good for me. Taking it so well. You feel so good, don't you? Getting closer to your orgasm with every thrust inside you. My cock massaging the walls as you take me nice and deep. Are you going to start touching your cock for me, Master? Go on, why don't you start touching yourself while I fuck you. I want to see my Maser cum so badly. Ngh, so fucking hot like this. Taking every inch of me like it's nothing, letting me stretch out your hole like this. It's nice having a Master who also doubles as a slut. I never have to worry about finding something to stick my cock into when your inviting hole is almost always ready for your puppy. You want it just as much as I do. You love the feeling of my cock inside you, claiming you, ruining you for anything and everyone else, don't you?…It's not like any other cock could compete with your puppy's, right?

…That's because Puppy's cock feels the best. Yes it does. Ngh, making me feel so good, Master. Love how you look like this, love how easily you can take me, and how deep it reaches. Moaning loudly for me, that's right, Master. Let me hear how much you are enjoying being fucked by me. Let me hear how much you love my cock. Say it. Say you love your puppy's cock…Good boy, Master. So obedient for your Puppy. Taking my cock so perfectly, yes you are. Ngh, getting closer with every thrust inside you, with every stroke against your cock. You've been dreaming about this all day but it never compares to the real thing. Nothing feels as good as me, Master. No one makes you feel like this except for your slutty puppy. I can't get enough of you. I love you so much, Master.

Mnf, just like that, yeah. Clench around me, Master. Ngh, good boy. Yes, so good for me. Clenching on command, making puppy feel so good. You are too kind to me Master. Making me feel so good while I fuck you. You want me to cum inside you, don't you? Fill you up until you are leaking with my cum and it's dripping down your thigh like some kind of a cheap slut. That's what you crave, Master. You like to pretend to be powerful, act like you are in charge, but really all you crave is to be fucked by your puppy. To constantly be impaled on a cock and touching your own cock, on the verge of cumming. The pleasure building inside you as I keep fucking in and out of your pretty hole. Taking me so well, letting me use your hole like this. It feels good to be used, doesn't it?…Good boy, Master. So well behaved for me. You're acting more like the obedient dog than me but maybe that's because I'm giving you my bone. **[chuckle]** It's okay, Master. I'm right here. You're doing such a good job. Clench around me again, good, good. Ngh, that's the spot. Yes, fuck. You are amazing, Master. I'm so lucky to have you, Master. So lucky that you picked me to be your slut puppy.

Ngh, yes. Making me feel so good, Master. I can feel myself getting close, just like you. Mnf, feel so good. Such a good boy for puppy. Offering up your warm and inviting hole to me so I can bury my cock inside it. Fuck you like some kind of a filthy slut because that's what gets you moaning. Mnf, it feels so good, doesn't it? Touching your cock while another slides in and out of you so easily. Never any resistance for me, is there?…Because my cock always makes you feel good. I always make sure my Master cums. Ngh, feels so good. Love burying my cock inside you, feeling how you grip and welcome me in. Excited to get more puppy cum inside you, Master?…That's your favorite part, isn't it? Walking around with a bit of me inside you. A dirty secret for just you and me to know. No one knows how much of a slut you are except for me. Only I know how easy you are, Master. Ngh, such a good boy for me. Yes. Fuck, getting so close. Can I cum, Master? Please? I'm so fucking close, I need to cum. Let me cum inside you, please please please ple-**[mutual orgasms] [kiss]** Is Master okay?

…Yay! Thank you Master. Thank you for letting me fuck you. Thank you for letting me cum inside you. Do you want me to plug you back up?…Then I won't. Whatever Master wants, Master gets. All I want is for you to be happy when you come home. I love you so much Master. **[kiss]** Can we go again?…Aw. Fine. I'll back off. Will I get to fuck you later, Master?…Oh thank you, Master! Thank you so much. You are far too kind to me. **[kiss]** Thank you. **[kiss]** I love you so much, Master…You're my world…The best man a person could ask for…I'm so lucky I have you…I love you, Master. **[kiss]**
