Stronger with God
by Ethan Morales

Good morning boys and girls happy Sabbath. Welcome back to another Sabbath children's story. So today, let's open up our Bibles and take a look at Philippians 4:13. Where it says, For I can do everything through Christ who gives me strength. All right. So let's dive into that a little bit more. It says that we can do everything through Christ who gives us strength. I know a lot of you are graduating this year. And you know, that next grade might be a little scary for you. Or you might be going into high school or junior high, all really scary stuff. But it's important to know that God always has our back, right?

So let's take this piece of paper, let it let us represent our life. Right? Right now, if we were to leave the paper right here, and take this soda can right, and we put it there, it's gonna fail. Why? Because we have not let God into our life. This is us by yourself. However, when we let God into our life, and we let him mold us and shape us, what we'll find is when we hit challenges in life, and sin or temptation comes our way or we don't know what to do next, we'll find that life is a lot more stable with Christ. So don't be afraid boys and girls of the future. Let God form you and mold you into the person that he has planned for you. All right, let us pray.

Dear Heavenly Father, thank You, God so much for another day of life. Lord, I ask that you please be with these children, you guide and protect them, Lord, be with their hearts be with their parents and their friends, Lord. Lord, I ask that you please forgive us of all our sins. Me, give us a double dose of your Holy Spirit. Lord, we ask all these things named your precious son, Jesus Christ, amen.

Bye boys and girls, you guys have been great listeners. See you next time.
