

Welcome!

Welcome to the Coffee & Donuts Zoom meeting! We are first and foremost a zoom meeting held at 9:45am Pacific Time 7 days a week. More than that though, we are a community of attendees who have gotten to know one another and who offer each other support at both meetings and online in our community WhatsApp Group which you can find using this link:

This meeting is not possible without the generous service time that our volunteers take to do things like chair and co-chair meetings. If you would like to know more about how to get involved, feel free to ask on WhatsApp or email us at coffee.and.donuts.zoom@gmail.com We would be happy to give you the information and training necessary to join us in what we do.

Thank-you all for your interest in our meeting. Please let us know if you have any questions or suggestions for us to consider.
