- Notes: Probably the only full capture of the show with the lead vocalist of Green Day Billie Joe Armstrong in the role of St. Jimmy.
- Format: VOB (with smalls), 3.94GB

Deaf West | October 2024 | 7.77 GB MP4 Master: MTTZ

- Cast: Daniel Durant (Johnny), Milo Manheim (Voice of Johnny), Otis Jones IV (Will), James Olivas (Voice of Will), Landen Gonzales (Tunny), Brady Fritz (Voice of Tunny), Ali Fumiko Whitney (Heather), Mars Storm Rucker (Whatsername), Mason Alexander Park (St. Jimmy), Kaia T. Fitzgerald (Extraordinary Girl), Jerusha Cavazos (Voice of Extraordinary Girl), Will Branner (Favorite Son), Monika Peña (Alysha), Steven-Adam Agdeppa (Ensemble), Lark Detweiler (Ensemble), Josué Martinez (Ensemble), Angel Theory (Ensemble), Mia Sempertegui (Ensemble)
- Master Notes: Excellent capture of this incredibly transformative production in previews! Shot in a great mix of wides, mediums, and close-ups, wider than usual overall due to the nature of the staging. Obstruction on the bottom left of the stage that only blocks some minor action and is worked around well. Some wandering, shaking, and re-adjusting throughout. A couple of brief dropouts. Does not include the post-bows song. Audio is patched in from an external source. Overall a wonderful capture.

American Psycho

- Date: 2023 Oct | Kokandy Productions, Chicago | allisforgiven
Cast: Kyle Patrick (Pattick Bateman), Sonia Goldberg (Jean), John Drea (Paul Owen), Amber Dow (Mrs. Bateman and Others), Caleigh Pan Kita (Evelyn Williams), Hailey Brisard (Vanden

and Others), Will Lidke (Tim Prince), Danielle Smith (Courtney Lawrence), Evan B. Smith (David Van Patten and Others), Quinn Kelch (Luis Carruthers), Jonathan Allsop (Craig McDermott and Others), Ryan Aemstrong (Detective Kimball and Others), Emily Holland (Sabrina and Others), Kevin Parra (Sean Bateman and Others), Anna Siebert (Victoria and Others), Quinn Simmons (Christine and Others).

- Masters Note: considering the circumstances, this is a great capture of the Chicago premiere of this show. This production was staged on a runway down the middle of a large room. Audience was seated on both sides of the stage and actors were frequently in all of the aisles. As a result, actor's backs are sometimes facing the camera and ensemble actors sometimes obscure the main action in a scene. Because of the layout, it was impossible to capture the entire stage/runway, so only the middle of the runway is filmed. Unfortunately Act Two was very dark so, while most of the action is there, sometimes the picture is less than stellar from the attempt to lighten the footage enough to see anything. Lastly, lots of reactions can be heard from the woman next to the Master (she was drunk and had several friends in the show so super vocal). Despite the aforementioned issues, it's a pretty good video and perfectly watchable.
- Format: MP4, 8.65GB

Anastasia

- Wednesday Evening, September 6, 2017 | Master: NYCG8R
Christy Altomare (Anya), Derek Klena (Dmitry), Ramin Karimloo (Gleb Vaganov), John Bolton (Vlad Popov), Caroline O'Connor (Countess Lily Malevsky-Malevitch), Mary Beth Peil (Dowager Empress Maria Feodorovna), Molly Rushing (Young Anastasia / Paulina), Nicole Scimeca (Little Anastasia / Prince Alexei Romanov), Constantine Germanacos (Tsar Nicholas II / Count Ipolitov), Lauren Blackman (Tsarina Alexandra), Shina Ann Morris (Tatiana Romanov / Dunya), Allison Walsh (Olga Romanov), Sissy Bell (Marfa / Maria Romanov), Ken Krugman (Count Leopold / Gorlinsky), Janet Dickinson (Countess Gregory), Kyle Brown (Prince Siegfried in Swan Lake), James A. Pierce III (Von Rothbart in Swan Lake), Wes Hart (Russian Doorman), Zach Adkins (Ensemble), Ian Knauer (s/w Ensemble), Johnny Stellard (Ensemble)
- Notes: Great HD capture of the Broadway transfer. There are a few short scenes/moments far stage right blocked by a head, but nothing major. Beautiful production, performances and cast to match!

Be More Chill

15/8/2018 Off-Broadway

- Cast: Will Roland, George Salazar, Gerard Canonico, Jason Tam, Stephanie Hsu, Katlyn Carlson, Tiffany Mann, Lauren Marcus, Jason Sweetooth Williams.
- Notes: Remastered Edition. Shot on phone. A massive overhaul from the original phone video. Image has been cropped to landscape with an active tilt and scan to keep the stage in the

picture, deblocked, noise filtered, contrast adjusted, colour notched, and aligned to spec on the framerate. Audio has had the usual declip/declick/noise filter and a bit of extra EQ to take off the distortion in the higher ends. It's not as good as something shot on a proper camera, but still a MASSIVE upgrade to what's floating around the net otherwise. **Not for gifting**

- Format: mp4
(Google Drive)

Broadway | August 11, 2019 | notjustthespongenextdoor's Master

- Cast: Will Roland (Jeremy Heere), George Salazar (Michael Mell), Stephanie Hsu (Christine Canigula), Jason Tam (The SQUIP), Lauren Marcus (Brooke Lohst), Katlyn Carlson (Chloe Valentine), Tiffany Mann (Jenna Rolan), Britton Smith (Jake Dillinger), Jason SweetTooth Williams (Mr. Heere/Mr. Reyes/Scary Stockboy)
- Notes: Closing Night on Broadway! Fantastic HD stageshot from the rear right balcony without zooms. The action is caught really well and there is no washout. The cast were on top of their game for the final performance and includes the speeches after the show.
- Format: MP4, 17.38GB

- Format: MP4, 7.47GB

First Broadway Remount, July 2022, Master: bikinibottomday

- Alex Brightman (Beetlejuice), Elizabeth Teeter (Lydia Deetz), Kerry Butler (Barbara Maitland), David Josefsberg (Adam Maitland), Adam Dannheisser (Charles Deetz), Natalie Charle Ellis (u/s Delia Deetz), Michelle Aravena (Miss Argentina), Kelvin Moon Loh (Otho), Danny Rutigliano (Maxie Dean), Zonya Love (Maxine Dean/Juno), Dana Steingold (Girl Scout), Katie Lombardo (s/w Ensemble)

- Notes: Excellent 4K capture of Natalie as Delia. There's a very small obstruction in Act One that only blocks a little bit of action on the very front and right of the stage. Although there are a lot of tight closeups in order to avoid washout, the action is followed very well. There is occasional wandering, unfocusing, and one very brief partial blackout near the end of Act One. Includes curtain call, audio is fed from external source.
- Format: mp4, 19.62GB

Fifth West End Revival | March, 2022 | Jagweed

Cast: Eddie Redmayne (Emcee), Emily Benjamin (u/s Sally Bowles), Omari Douglas (Cliff), Liza Sadovy (Fraulein Schneider), Elliot Levey (Herr Schultz), Stewart Clarke (Ernst Ludwig), Anna-Jane Casey (Fraulein Kost/Fritzie), Sally Frith (Frenchie), Matthew Gent (Hans), Theo

Maddix (Lulu), Daniel Perry (Victor), Andre Refig (Max), Christopher Tendai (Bobby), Ela Lisondra (s/w Helga), Lillie-Pearl Wildman (Texas), Sophie Maria Wojna (Rosie)

- Notes: This is the only known recording of Emily Benjamin in the role of Sally Bowles with the original West End revival cast. I would say this is a near perfect capture of this production; very little obstruction, steady, with a mix of wides, mediums and close ups. Recording includes the curtain call and marquee.
- Format: m4v, ~10GB

Camelot

- Fourth Broadway Revival, July 23, 2023 (Matinée) - juniper47
Andrew Burnap (King Arthur), Phillipa Soo (Guenevere), Jordan Donica (Lancelot du Lac), Christian Mark Gibbs (u/s Lancelot du Lac/Ensemble), Taylor Trench (Mordred), Dakin Matthews (Merlyn/Pellinore), Anthony Michael Lopez (Sir Dinadan), Danny Wolohan (Sir Lionel), Fergie L. Philippe (Sir Sagramore), Camden McKinnon (Tom of Warwick), Marilee Talkington (Morgan Le Fey), Hawley Gould (Page), James Romney (Page), Ann Sanders (Clarius), Tesia Kwarteng (Lady Catherine), Delphi Borich (Lady Sybil), Paul Whitty (Squire Dap), Britney Simpson (Ensemble), Frank Viveros (Ensemble), Edwin Joseph (Ensemble), Solá Fádíran (Ensemble), Matías De La Flor (Ensemble), Nkrumah Gatling (s/w Ensemble)
- Notes: Filmed in 4K from loge, released in 1080p and 4K. Closing performance. Mid-show Lancelot switch when Jordan Donica left prior to the tournament near the end of Act 1, and understudy Christian Mark Gibbs took over for the rest of the show. Occasional brief obstruction from the guy diagonally in front of me who kept leaning forward to peek at his playbill, usually only when an actor goes downstage and stage right. Otherwise no other obstructions, and dropouts only for applause. Slightly grainy at times due to maxing out on zoom. Includes curtain call.
- Format: mp4, ~8GB

- Format: MKV, 1.14 GB

- Cast: Lea Michele (Florence Vassy), Aaron Tveit (Freddie Trumper), Nicholas Christopher (Anatoly Sergievsky), Hannah Cruz (Svetlana Sergievsky), Bryce Pinkham (The Arbiter), Bradley Dean (Molokov), Sean Allan Krill (Walter de Courcey), Kyla Bartholomeusz (Ensemble), Daniel Beeman (Ensemble), Shavey Brown (Ensemble), Casey Garvin (Ensemble), Adam Halpin (Ensemble), Aliah James (Ensemble), Sydney Jones (Ensemble), Sean MacLaughlin (Ensemble), Sarah Meahl (Ensemble), Ramone Nelson (Ensemble), Michael Olaribigbe (Ensemble), Katerina Papacostas (Ensemble), Aleksandr Ivan Pevec (Ensemble), Samantha Pollino (Ensemble), Regine Sophia (Ensemble), Katie Webber (Ensemble)
- Master Notes: Great 4k capture of the electric first preview of this revival! Little to no obstruction throughout, although unfortunately a lighting rig blocks the right of the upper level. Some washout in wider shots and wandering throughout, with minor instances of the camera focusing on the wrong thing due to usher activity. Many blackouts during the first ten minutes or so, also due to usher activity. Includes bows and audio of most of the overture.
- Format: MP4, 12.4GB

Cinderella

- June, 2022 | West End | Lasagna

- Format: MP4 (4K), 10.74 GB

The Colour Purple

Cast: Cynthia Erivo (Celie), Jennifer Hudson (Shug Avery), Danielle Brooks (Sofia), Isaiah Johnson (Mister), Kyle Scatliffe (Harpo), Joaquina Kalukango (Nettie)
- Notes: Excellent HD capture of the new revival which been stripped down and streamlined to focus on Celie's journey. Some beautiful moments in the show with the direction and simplicity spotlighting the story. A few blackouts in the first 5 minutes, as clueless ushers fumbled around.
- Length/File Size: 1:58:36; 6.58GB

- Master's notes: Great 4k capture of this incredible show. Shot with a mix of mediums, wides, and close-ups. Shot around a railing which sometimes appears in shot and can cause wide shots to be tilted slightly more than usual, and there are moments of wandering/focusing on the wrong thing, particularly during the first ten minutes or so. Includes bows. Other than that, this is a great capture of this hilarious new musical that I had absolutely the best time at. (Never Gift)

- Notes: Excellent capture of this stunning cast! Shot in a great mix of wides, mediums, and close-ups. Some wandering, shaking, and re-adjusting throughout. Some occasional obstruction in act 1 that doesn't block any significant action. Audio is patched in from an external source; some audience member disturbances and some rustling/scratching can be heard. Overall a fantastic capture.

- Notes: Previews! Picks up after "Road to Hell." Decent capture with a lot of beautiful zooms, two really annoying heads, and a drop out occasionally but never for long (For the first time in my mastering career I kept putting the camera down after musical numbers because I couldn't NOT clap). This was my first time seeing the show and hearing this music so I was sometimes focused on the wrong things. Oh well. Overall, I love this video. I got home at 2AM after filming it and just SOBBED while I rewatched some of my favorite moments. WHAT A SHOW!

- Cast: Jordan Dobson (t/r Orpheus), Anthony Chatmon (u/s Hermes), Lana Gordon (Alt Persephone), Eva Noblezada (Eurydice), Patrick Page (Hades), Jewelle Blackman (Fate), Jessie Shelton (Fate), Mariand Torres (Fate)
- Notes: It starts after 'Road To Hell,' and there is a 2-minute dropout around 20 minutes into act 1. Do Not Post Online.

February 19, 2022 Master: musain

- Reeve Carney (Orpheus), Eva Noblezada (Eurydice), Amber Gray (Persephone), Patrick Page (Hades), André De Shields (Hermes), Tara Jackson (u/s Fate), Jewelle Blackman (Fate), Kay Trinidad (Fate), Emily Afton (Worker), Malcolm Armwood (Worker), Timothy Hughes (Worker), Grace Yoo (Worker), Trent Saunders (Worker)
- Notes: Amber Gray's final performance in Hadestown. Full show is filmed, including the standing ovation that Amber got before the performance even started, right up to the band exiting. Moderate obstruction from the box/bar, etc. Dropouts and shakiness during applause breaks, especially during all of the standing ovations that happened for Amber—what can I say? It was such an emotional night and I was more focused on being in the moment than getting a 4K video. However, what is captured is high quality, and is of a very memorable show. For transparency, some screenshots include the obstructed/less-than-HQ moments, so people know what they're purchasing/watching.
- Band: Brian Drye (Trombone), Marika Hughes (Cello), Dana Lyn (Violin), Ben Perowsky (Drums), Robinson Morse (Bass), Ilusha Tsinadze (Guitar), Liam Robinson (Keys)
- Format: MP4, ~4GB

Hadestown | Broadway | October, 2022 | Juniper47

- Cast: Sayo Oni (u/s Orpheus), Yael "YaYa" Reich (u/s Eurydice), Jewelle Blackman (Persephone), Patrick Page (Hades), Lillias White (Hermes), Amelia Cormack (Fate), Soara-Joye Ross (Fate), Mariand Torres (t/r Fate), Emily Afton (Worker), Malcolm Armwood (Worker), Brandon Cameron (Worker), Alex Puette (Worker), Grace Yoo (Worker)

- Band: Tim Vaughn (Trombone sub), Terrence Thornhill (Cello sub), Fung Chern Hwei (Violin sub), Dan Rieser (Drums sub), Robinson Morse (Bass), Yoshie Fruchter (Guitar sub), Cody Owen Stine (Keys sub)
- Master Notes: Filmed in 4K, released in 1080p and 4K. This is easily the best of my Hadestown Broadway videos to date—almost no obstruction except for at the farthest lower right corner of frame in wider shots, steady filming, and use of zooms and wide shots for solos and ensemble numbers, respectively. Only a few very short drop-outs. Includes video of We Raise Our Cups and Patrick Page's BC/EFA speech. Great getting to see Sayo and YaYa on stage together!
- Format: MP4, 19.51GB

Broadway | December 30, 2022 | bikinibottomday | Video

- Cast: Reeve Carney (Orpheus), Eva Noblezada (Eurydice), Jewelle Blackman (Persephone), Patrick Page (Hades), Lillias White (Hermes), Amelia Cormack (Fate), Shea Renne (Fate), Soara-Joye Ross (Fate), Emily Afton (Worker), Malcolm Armwood (Worker), Brandon Cameron (Worker), Alex Puette (Worker), Grace Yoo (Worker), Sojourner Brown (Worker)
- Notes: Excellent 4K capture of Patrick Page's final performance! A head is visible on the bottom of the frame at times but almost never blocks anything. Some wandering and unfocusing throughout. Fairly Patrick Page centered, as all of Epic 1 and Epic 3 are focused on him as well as some other typically-Orpheus centric moments. Blackout during the beginning of Lady of the Underground, and brief blackout during Epic 3. Includes curtain call, We Raise Our Cups, and speeches by Reeve, Patrick, and director Rachel Chavkin. Audio fed from external source.
- Format: MP4, 13.75GB

National Tour | circa June 2023 | TheaterCouple14's Master

- Cast: Hannah Whitley (Eurydice), J. Antonio Rodriguez (Orpheus), Maria-Christina Oliveras (Persephone), Matthew Patrick Quinn (Hades), Nathan Lee Graham (Hermes), Cecilia Trippiedi (u/s Fate), Belén Moyano (Fate), Nyla Watson (Fate), Colin LeMoine, Shavey Brown, Sean Watkinson, Courtney Lauster, Racquel Williams (workers)
- Notes: Very decent wide-shot phone boot from the center orchestra. No obstruction except a head on the far left of the stage that doesn't cover up much at all. There was a high school

group of boys in the audience that went absolutely feral at any intimate/sexual reference in the show, so their reaction can be heard quite a bit in the audio. Includes video, audio (tracked by Medium Observation and untracked), and cast board pic.

- Format: MP4, 8.42GB

February 9 2024 Master: bikinibottomday

- Near perfect video of Cecilia and John as Eurydice and Orpheus, respectively. They are incredibly fantastic and are such a cute pair. Some washout and shakiness throughout.
- Format: MP4, ~10GB

September, 2024 | (Broadway, Walter Kerr Theatre) [MP4, 7.31 GB]

TheatreCouple14's master | Matinée

- Cast: Jordan Fisher (Orpheus), Maia Reficco (Eurydice), Yola (Persephone), Phillip Boykin (Hades), Stephanie Mills (Hermes), Belén Moyano (Fate), Jessie Shelton (Fate), Emily Afton (u/s Fate), Malcolm Armwood (Worker), Timothy H. Lee (Worker), Brandon Cameron (s/w Worker), Tara Jackson (s/w Worker), Yael "YaYa" Reich (s/w Worker)
- Master's Notes: Excellent wide-shot phone video taken from the right Orchestra. Very few moments on the far left not captured (mostly Hermes narrating, and some of Yola dancing in 'Our Lady of the Underground'). Doubt comes in is mostly black, unfortunately. Yaya's last show, Stephanie gives her bow to Yaya and flowers are given during 'We raise our cups'. This cast is exceptional. The best I've ever seen this show in-person.

Broadway | February 2025 | The Riddle

- Cast: Carlos Valdes (Orpheus), Hailey Kilgore (Eurydice), Allison Russell (Persephone), Tom Hewitt (Hades), Lillias White (Hermes), Grace Yoo (u/s Fate), Kay Trinidad (Fate), Brit West (Fate), Emily Afton (Worker), Malcolm Armwood (Worker), Timothy H. Lee (Worker), Alex Puette (Worker), KC Dela Cruz (s/w Worker)
- Notes: Excellent 4k capture of Allison and Lillias's final performance with the company. Allison is in frame whenever possible, with a slight focus on her at times - I was a bit of a lesbian mess this performance and it shows. She truly gave it her everything, and her Persephone will always be so special to me. Heads sometimes show up on the bottom of the picture but don't obstruct anything. General warning for intense strobing lights, timestamp: 1:25:16-1:25:28. Includes (a deeply emotional) We Raise Our Cups and Lillias's goodbye speech.

- Format: MP4, 10.71GB

Hadestown | West End | February, 2025 (3) | Lasagna

- Cast: Reeve Carney (Orpheus), Eva Noblezada (Eurydice), Amber Gray (Persephone), Patrick Page (Hades), André De Shields (Hermes), Bella Brown (Fate), Madeline Charlemagne (Fate), Allie Daniel (Fate), Ryesha Higgs (s/w Worker)
- Master Notes: Good capture of Patrick's return as Hades! Cameras occasionally visible due to proshot filming. Some difficult obstruction towards the start which gradually lessens. Brief dropouts including parts of Way Down Hadestown. Show stop in Epic Ill due to automation issues, there's a brief pause while they reset back to the start of the song
- Format: MP4, 10.29 GB

Broadway | February 9 2025 | Medium Observation

- Cast: Jordan Fisher (Orpheus), Isa Briones (Eurydice), Ani DiFranco (Persephone), Phillip Boykin (Hades), Jon Jon Briones (Hermes), Jessie Shelton (Fate), Kay Trinidad (Fate), Brit West (Fate), Malcolm Armwood (Worker), Sayo Oni (Worker), Emily Afton (Worker), Alex Puette (Worker), Grace Yoo (Worker)
- Notes: Near perfect capture of this incredible cast. There is a brief 30 second blackout at the end of Road to Hell. Some readjusting and shakiness is seen throughout. Includes We Raise Our Cups.
- Format: MP4, 10.3

Hadestown | 2nd National Tour | March 2025 | The Riddle

- Cast: Miracle Myles (u/s Orpheus), Megan Colton (Eurydice), Namisa Mdlalose Bizana (Persephone), Nickolaus Colón (Hades)/Randy Cain (u/s Hades), Jaylon C. Crump (Hermes), Alli Sutton (Fate), Katelyn Crall (Fate), Miriam Navarrete (Fate), Joe Rumi (Worker), Mikaela Rada (Worker), Kaitlyn O'Leary (Worker), Randy Cain (Worker)/Darius J. Manuel (s/w Worker), Julia Schick (s/w Worker)
- Notes: Great 4k capture of this touring cast! Filmed with a mix of mostly wides and mediums with a few close-ups. After a slightly lengthy interval, it was announced that Randy Cain would be taking over as Hades and Darius Manuel would be swinging on as a worker. Some

slight graininess to the picture at times and the very far left of the stage is somewhat obstructed by the lighting rig, including the passage that acts as the entrance/exit to Hadestown.

Occasional wandering/readjusting throughout, but little obstruction except when the person in front of me fidgeted with their hair. Slight amount of camera fog at the beginning, and there's an extended dropout during Anyway the Wind Blows due to latecomers in my row.

General warning for intense strobing lights, timestamp: 1:22:58-1:23:10. Sorry for crying like all throughout Road to Hell (Reprise) but Jaylon Hermes...they really got to me. Includes We Raise Our Cups.

- Format: MP4, 10.26GB

(03/2025) (1) West End, Master: Lasagna

- Cast: Reeve Carney (Orpheus), Eva Noblezada (Eurydice), Amber Gray (Persephone), Phillip Boykin (t/r Hades), André De Shields (Hermes), Bella Brown (Fate), Madeline Charlemagne (Fate), Allie Daniel (Fate), Lucinda Buckley (s/w Worker), Winny Herbert (s/w Worker)
- Notes: Lovely capture of the final show for the entire cast! Shot around heads and is pretty zoom-heavy as a result (including some just for fun)
- Length/File Size: 2:22:24; 10.21GB (MP4)

March 5, 2025 | Broadway | Matinee | bikinibottomday | Never Gift

Lee (Worker), Alex Puette (Worker)
- Notes: Great 4K capture of the new cast! Head obstruction on the right that blocks off some action, but mostly worked around well. Increased wandering and unfocusing throughout, especially at the beginning. Includes curtain call and "We Raise Our Cups," audio fed from external source.

Hamilton

Broadway June 19, 2016 - SJ Bernly

- Cast: Javier Muñoz (alt Alexander Hamilton), Phillipa Soo (Eliza Hamilton), Leslie Odom Jr. (Aaron Burr), Renée Elise Goldsberry (Angelica Schuyler), Nicholas Christopher (s/b George Washington), Daveed Diggs (Marquis de Lafayette/Thomas Jefferson), Okieriete Onaodowan (Hercules Mulligan/James Madison), Andrew Chappelle (u/s John Laurens/u/s Philip Hamilton), Alysha Deslorieux (s/b Peggy Schuyler/s/b Maria Reynolds), Rory O'Malley (King George III), Sydney James Harcourt (Philip Schuyler/James Reynolds/Doctor), Thayne Jasperson (Samuel Seabury), Daniel J. Watts (s/w George Eacker)
- Notes: Javier is fantastic in the lead role; he's very different from Lin—a bit darker, more intense, and less care-free, but just as passionate. The understudies are great as well, but Andrew is the stand-out; his nuanced performance as Philip is heartbreaking. Seeing the show with so many new faces proves that it has legs beyond the original cast and will continue to be a hit. It's filmed in 16:9, with a mix of wides, mediums, and close-ups. The sound is excellent. Includes curtain call and playbill scans. This is the correct date for the low quality video labeled as June 16, 2016.
- Format: mpeg split into 5 parts, 4.32GB

- Notes: Excellent 4K capture of Miguel and Alysha's final performances! Head obstruction on the far right that is mostly worked around but blocks a few moments. - Notes: Filmed in 4K, released in 1080p and 4K. Filmed between a couple heads that occasionally got in the way when they leaned toward each other or when the guy lifted his arm to scratch his head - but rarely blocks significant action. A couple drop-outs when people

nearby came in late or left early. Camera did not do well with one scene using a lot of blue light, but the rest of the show is beautifully filmed.

- Notes: Idina's last performance. An emotional performance by the whole cast, particularly Idina. Her feelings overcome her during Always Starting Over and the Finale, leading to roaring cheers of support from the crowd. There is also a fantastic blooper during What If: Elizabeth's phone rings and the phone is not in her pocket. Chaos ensues. A really fantastic capture with no obstruction, no washout, and just two quick dropouts in Act One. It's filmed

in 16:9, with a mix of wides, mediums, and close-ups. The sound is excellent. Includes curtain call and playbill scans. A

- Master's notes: perfectly serviceable phone video from the second row. the far left and right are cut off (no shot of either stoop so there's times when nobody is in frame lol), two heads cover some of the bottom of the screen and the first act is tilted a little too far up. this happened because i forgot to set my audio at sweeney earlier in the day. will i ever do this again? absolutely not.

2025 March | Off-Broadway Revival | MTTZ

- Cast: Milo Manheim (Seymour), Elizabeth Gillies (Audrey), Jeremy Kushnier (Orin & Others), Reg Rogers (Mr. Mushnik), Major Attaway (Voice of Audrey II), Hailey Thomas (Ronnette), Morgan Ashley Bryant (Chiffon), Daria Pilar Redus (Crystal), Johnny Newcomb (s/w Ensemble), Christine Wanda (s/w Ensemble)

- Masters Note: Solid capture of the new cast of this stunning production! Shot in a great mix of wides, mediums, and close-ups; more wide than usual due to the nature of the staging. Some increased wandering, shaking, and re-adjusting throughout. Audio is patched in from an external source. Two major dropouts due to usher activity; 7 minutes total before/during/after “Feed Me” and the last minute of the show are audio only due to usher activity. Obstruction on the left side and across the bottom that only occasionally blocks action. Overall a solid capture that’s only marred by some obstruction and dropouts.

- Notes: Featuring the winner of MTV's Search for Elle Woods series, Bailey. She did a wonderful job and very cute in the role. She also did not copy Laura's Elle and made it her own, which was great. Amber as Paulette did a wonderful job in the role and has such a big voice and very pretty. I never get tired of this show as it is so much fun. Beautifully captured

with terrific closeups. A T/W: This video contains a PETA advertisement at the beginning, which contains graphic images and may be distressing. This was included by the master on release.

- Master notes: Fantastic capture of this incredibly immersive and beautiful production. There is a bar in the bottom right corner of the screen that doesn't take away except for one moment where Gandalf and Frodo are talking on the stairs in act one, but overall I worked around it

and you can always see Frodo and sometimes Gandalf. At points people are in the audience and I wasn't able to capture them but you can always hear them and I do my best to always try to make sure to capture anything in the audience that I could. Some washout and shakiness throughout.

- Notes: An excellent capture. Some focus issues but nothing major. For about 7 minutes in Act Two there is a tech issue with an AC like sound from a machine. I've done my best to minimise the sound as much as I can but it can still be heard. Recording includes the curtain call and a shot of the outside of the theatre.

- Cast: Dillon Klena (Jack Kelly), Monika Peña (Katherine Plumber), David Engel (Joseph Pulitzer), Dominique Kent (Medda Larkin), Tom Avery (Crutchie), Jaylen Baham (Davey), Colton Jackson Hutzler (Les), Taven Blanke (Race), Anthony Cannarella (Elmer), Skylar Gaines (Delancey), David Kirk Grant (Snyder), William Hartery (Jacobi/Roosevelt), Bill Ledesma (Mayor), Antoine Lee (Delancey), Andre Darnell Myers (Specs), Shiloh Orr (Seitz), Liza Piccoli (Hannah), Corey Rieger (Wiesel/Nunzio), Alex Riley (Bunsen)
- Notes: "Excellent capture of this fantastic regional production! Captured in a great mix of wides, mediums, and close-ups. Act 2 starts a bit into ""King of New York"". Some very occasional obstruction from the restless kid in front of me that wouldn't stop moving around, but it never lasts long and doesn't block anything important. Some increased wandering, shaking, and re-adjusting throughout, and one or two dropouts, but overall a wonderful capture of an energetic performance.

- Notes: Excellent 4K capture of this entertaining new musical! The last minute of "One of the Smart Ones" is blindshot. Very minor head and railing obstruction is present which makes the big finale a little blocked off (but the important parts are visible!) Some wandering / readjustment and unfocusing throughout. Includes curtain call, audio is fed from external source. Haley Fish performed in Wendi Bergami's track; Aaron Nicholas Patterson performed in Darius Wright's track.

(Off-West End, Donmar Warehouse) Jagweed's master | September, 2023 | Do not resell or gift. Do not share screencaps, clips, or this video online anywhere.

- Caissie Levy (Diana Goodman), Jamie Parker (Dan Goodman), Eleanor Worthington Cox (Natalie Goodman), Jack Wolfe (Gabriel "Gabe" Goodman), Jack Ofrecio (Henry), Trevor Dion Nicholas (Dr. Madden/Dr. Fine)
- Master's Notes: Pretty much a perfect capture of this show. Mainly filmed in close ups and mediums. Occasionally a head is visible at the bottom due to an audience member leaning forward. However, I film around this and always try to ensure it's not in view. Some scenes are dark due to lighting as my camera's image quality is not the best in dim lighting. This is not a

huge issue though and everything can be seen. External audio was not used as it was too quiet. Recording includes the curtain call and a shot of the outside of the theatre.

- Format: MP4, ~5GB

(West End, Wyndham's Theatre) Jagweed's master | July, 2024 | Do not resell or gift. Do not share screencaps, clips, or this video online anywhere.

- Caissie Levy (Diana Goodman), Jamie Parker (Dan Goodman), Eleanor Worthington Cox (Natalie Goodman), Jack Wolfe (Gabriel "Gabe" Goodman), Jack Ofrecio (Henry), Trevor Dion Nicholas (Dr. Madden/Dr. Fine)
- Master's Notes: A perfect capture of the West End transfer. The cast have only gotten better since the Donmar run. Filmed head on instead of from the side, like my previous capture, so you can see the actor's expression clearly and get a clear view of the set and staging. A must have capture for fans of the show and this production. Recording includes the curtain call and marquee.

Proshot (2025) (Both censored and uncensored)

- Caissie Levy (Diana), Jamie Parker (Dan), Jack Wolfe (Gabe), Eleanor Worthington-Cox (Natalie), Trevor Dion Nicholas (Dr. Madden/Dr. Fine), Jack Ofrecio (Henry)
- My notes: The uncensored version has a little timestamp in the corner but it's not that distracting

Wallace (Father/Son/Other)

- Notes: Great capture of this AMAZING show! Shot in a wonderful mix of wides, mediums, and close-ups. Head obstruction on the left that blocks out about 1/4 of the stage (mostly the Older couple scenes in act 1), not too much action is missed. Some wandering, shaking, and re-adjusting throughout. A couple of brief dropouts. Some washout on wide shots. External audio patched in from bobbyskazoo. If you hear me sobbing, no you don't. Overall a great capture.

- Notes: Filmed from orchestra in 4K. No obstruction except for a couple moments where action is on the far right side. A few dropouts for applause or late-comers. Act 2 filmed slightly darker than Act 1 - corrected as best as possible in editing. Most of curtain call (filmed using another device) included. Trade only, no gifting

Emily Barber (Ewen Montagu & Others), Seán Carey (Charles Cholmondeley & Others), Chlöe Hart (Johnny Bevan & Others), Christian Andrews (Hester Leggatt & Others), Claire-Marie Hall (Jean Leslie & Others)

- Notes: "Solid capture of one of my favorite shows currently running in the world. Shot in a fantastic mix of wides, mediums, and close-ups. Some increased wandering, shaking, and re-adjusting throughout. Act 1 is impeccable, some of my best work, with only a bar in the way

at the bottom that doesn't block anything. Act 2 is more mixed, especially in the first 20-ish minutes, but still captures a lot of action with only a few dropouts throughout and some obstruction and wandering/shaking that goes away afterwards. Some rustling can be heard throughout. Overall, a very good capture.”

April 2025 | Broadway | MTTZ

- Cast: Natasha Hodgson (Ewen Montagu & Others), David Cumming (Charles Cholmondeley & Others), Zoe Roberts (Johnny Bevan & Others), Jak Malone (Hester Leggatt & Others), Claire-Marie Hall (Jean Leslie & Others)
- Notes: Excellent capture of this incredible show post-opening! Shot in a great mix of wides, mediums, and close-ups. A few very brief dropouts. Some wandering, shaking, and re-adjusting throughout. Audio is patched in from an external source; some editing has been done to remove interference which causes less than stellar sound quality but it's still fine. I love this show and these people so much; overall a beautiful capture

- Notes: A few short focus issues throughout. The top of a head sometimes appears at the bottom of the screen. It never obstructs anything. Recording includes the curtain call and a shot of the outside of the theatre. Filmed in 4K. External audio used.

A Strange Loop

- June 2024 | Los Angeles | MTTZ
- Cast: Malachi McCaskill (Usher), Tarra Conner Jones (Thought 1), J. Cameron Barnett (Thought 2), Avionce Hoyles (Thought 3), John-Andrew Morrison (Thought 4), Jordan Barbour (Thought 5), Carlis Shane Clark (Thought 6)
- Master notes: Incredible capture of this west coast replica production. One small skip in the sloppily filmed opening number to finish setting things up, but very well filmed afterwards. Shot in a fantastic mix of wides, mediums, and close-ups. A few heads can sometimes be seen at the bottom of wideshots but they don't block anything. Some wandering, shaking, and re-adjusting throughout.
- Format: MP4, 7.68GB

There is a minor railing obstruction on the left side that very rarely blocks off action. Some moments of wandering and unfocusing. Includes curtain call, audio fed from external source.

- Format: VOB+smalls, 4.29GB

Broadway - March, 2019 - StarCuffedJeans's master

- Laurel Harris (s/b Elphaba), Katie Rose Clarke (Glinda), Ryan McCartan (Fiyero), Michael McCormick (The Wizard), Nancy Opel (Madame Morrible), Kristen Martin (Nessarose), Jesse JP Johnson (Boq), Jamie Jackson (Doctor Dillamond), Manuel Herrera (Chistery), Kathy Santen (Midwife), Sterling Masters (Witch's Mother), William Ryall (Witch's Father / Ozian Official)
- Notes: This is a vivid 4K video with almost no obstructions. Pretty much everything is centered, with beautiful zooms but also wider shots that showcase the dancing and set design. At times the video appears on an angle because my wrists are weak, but you don't miss anything because of it. There is also washout at times, but I do believe my camera handles the spotlights better than a lot of Wicked videos. All in all this is a gorgeous capture of old and new cast members... I'm not finished yet in this bootleg business but if I was this could be my magnum opus.

You can hear a girl in the beginning telling me she saw West Side Story with Isaac Powell the day before and now she's seeing a panel with Wesley Taylor and how she thinks that's really funny. Also throughout the panel you can hear some of my whispers and comments made to the friend sitting next to me. Sorry about that. Enjoy. (Not tracked)

Born with Teeth (PLAY)

- July 2024 | Oregon Shakespeare Festival | soysaucepierre
- Cast: Alex Purcell (Kit), Jaysen Wright (u/s Will)
- Master notes: Solid phone boot of this neat homoerotic drama between William Shakespeare and Christopher Marlowe. Jaysen did amazing understudying the role of Will, and Alex was truly a wonder. The first 15 minutes, half the stage is cut off and at a dramatic angle, but after that, the video improves drastically and captures all the action. Will's white shirt basically glows but it felt like it did in the theater too, I promise. Some of the darker scenes are a bit underexposed. A couple heads appear in the bottom of frame but they don't cover anything. Readjustment, shaking, and breathing motions throughout. Shot from center of house.

- Notes: Great HD of the Year Two Broadway cast starting with the infamously ridiculous toffee scene. This was taken from one of the boxes so there is railing obstruction on the right of the stage, however most of the main action occurs at center and is brilliantly captured. Video starts during the Harry/Hermione office scene about 20 minutes into the show.
- Format: MP4, ~12GB

- Notes: Great capture of this acclaimed production. A head does appear in frame on the left hand side throughout the first act. When it appears I ensure it's brief. Second act occasionally has the top of a head at the bottom of the frame. Neither cause major issues. Recording includes the curtain call and marquee.
- Format: MP4, 8.40 GB. Filmed in 4K. External audio used.

Peter Pan Goes Wrong (PLAY)

- Broadway || Sunday Evening || April 30, 2023 || Master bikinibottomday, 17, 2023 Gifting Status Never Gift Status || Released Format(s) 4K MP4 (7.87GB)
Cast: Neil Patrick Harris (t/r Francis / t/r Cecco), Charlie Fay Russell (Sandra / Wendy Darling), Nancy Zamit (Annie / Lisa / Curly / Tinker Bell / Mary Darling), Henry Lewis (Robert / Starkey / Nana the Dog), Greg Tannahill (Jonathan / Peter Pan), Henry Shields (Chris Bean / Captain Hook / George), Matthew Cavendish (Crocodile / Max Bennett / Michael Darling), Chris Leask (Trevor Watson), Bianca Horn (Gill), Ellie Morris (Lucy / Tootles), Jonathan Sayer (Dennis Tyde / John Darling / Smee)
Trading/General Notes Great
- Notes: 4K capture of what was originally meant to be Neil Patrick Harris' last performance before he extended. There is head obstruction on both sides (the left more so than the right) that block some action and are worked around as best as possible. There is also some wandering and unfocusing throughout. Some scenes in the first act especially have a foggy appearance. Includes curtain call, audio is fed from external source and is somewhat muffled in the latter half of Act One.

A Play That Goes Wrong (PLAY)

- Fourth UK Tour (May, 2022) Master: hadesishere
Henry Lewis (Robert Grove), Henry Shields (Chris Bean), Dave Hearn (Max Bennett), Charlie Fay Russell (Sandra Wilkinson), Jonathan Sayer (Dennis Tyde), Greg Tannahill (Jonathan Harris), Nancy Zamit (Annie Twilliol), Rob Falconer (Trevor Watson)

- Fantastic capture of the original cast during their 2-week limited run on tour. Shot in 4K with external audio synced. Minimal wandering and washout, no dropouts and no real obstructions. Incredibly enthusiastic audience with massive applause throughout.
- Format: MP4, ~14GB

Romeo and Juliet (PLAY)

(July, 2024 West End Revival) Master: Jagweed

- Tom Holland (Romeo), Francesca Amewudah-Rivers (Juliet), Nathaniel Christian (u/s Benvolio), Joshua-Alexander Williams (Mercutio), Mia Jerome (Montague), Adetomiwa Edun (Lord Capulet), Ray Sesay (Tybalt), Freema Agyeman (The Nurse), Daniel Quinn-Toye (Paris), Phillip Olagoke (Friar Laurence), Harriet Bunton (s/w Camera Operator), Kody Mortimer (Camera Operator)
- Notes: A very good capture of Tom Holland's hotly anticipated return to theatre. This is an extremely dimly lit show with continuous haze which results in focus issues throughout - this isn't frequent though and tends to last seconds. Sometimes the actor's faces are blocked by lights when the screen is raised. However, the camera is constantly moving so it's not for long. The screen also lowers where the image is then unobscured. Recording includes the curtain call and marquee.
- Format: MP4, ~9GB
