anatomy of a rocket

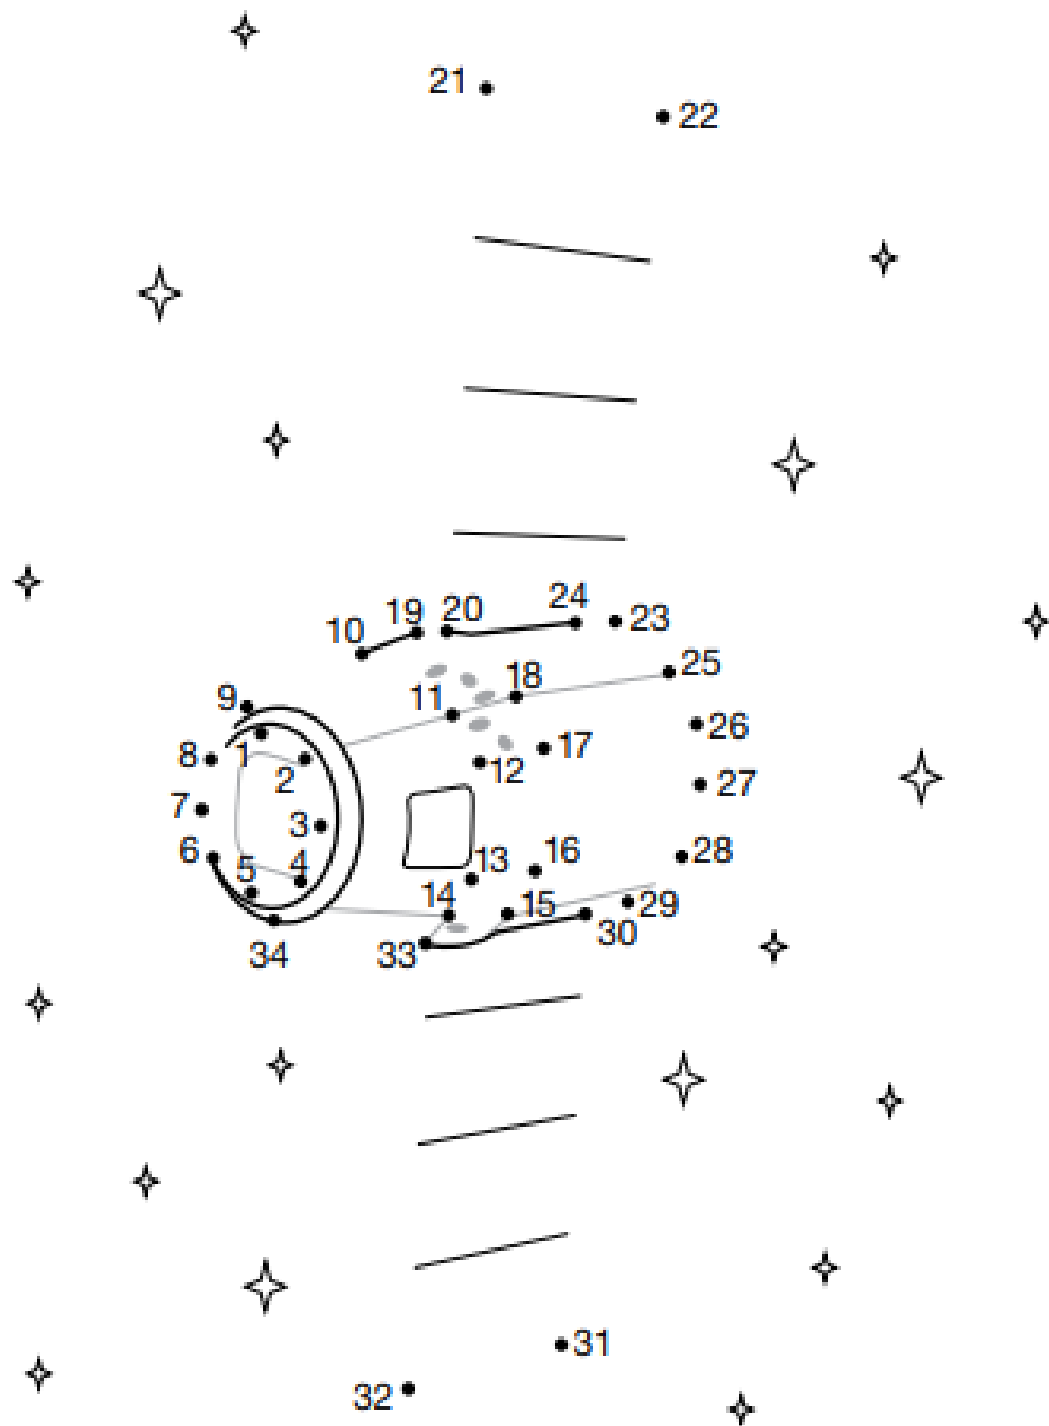

Draw 2 to 4 designs for your fins!

A large rectangular area divided into two horizontal sections by a single line, intended for drawing designs for fins.

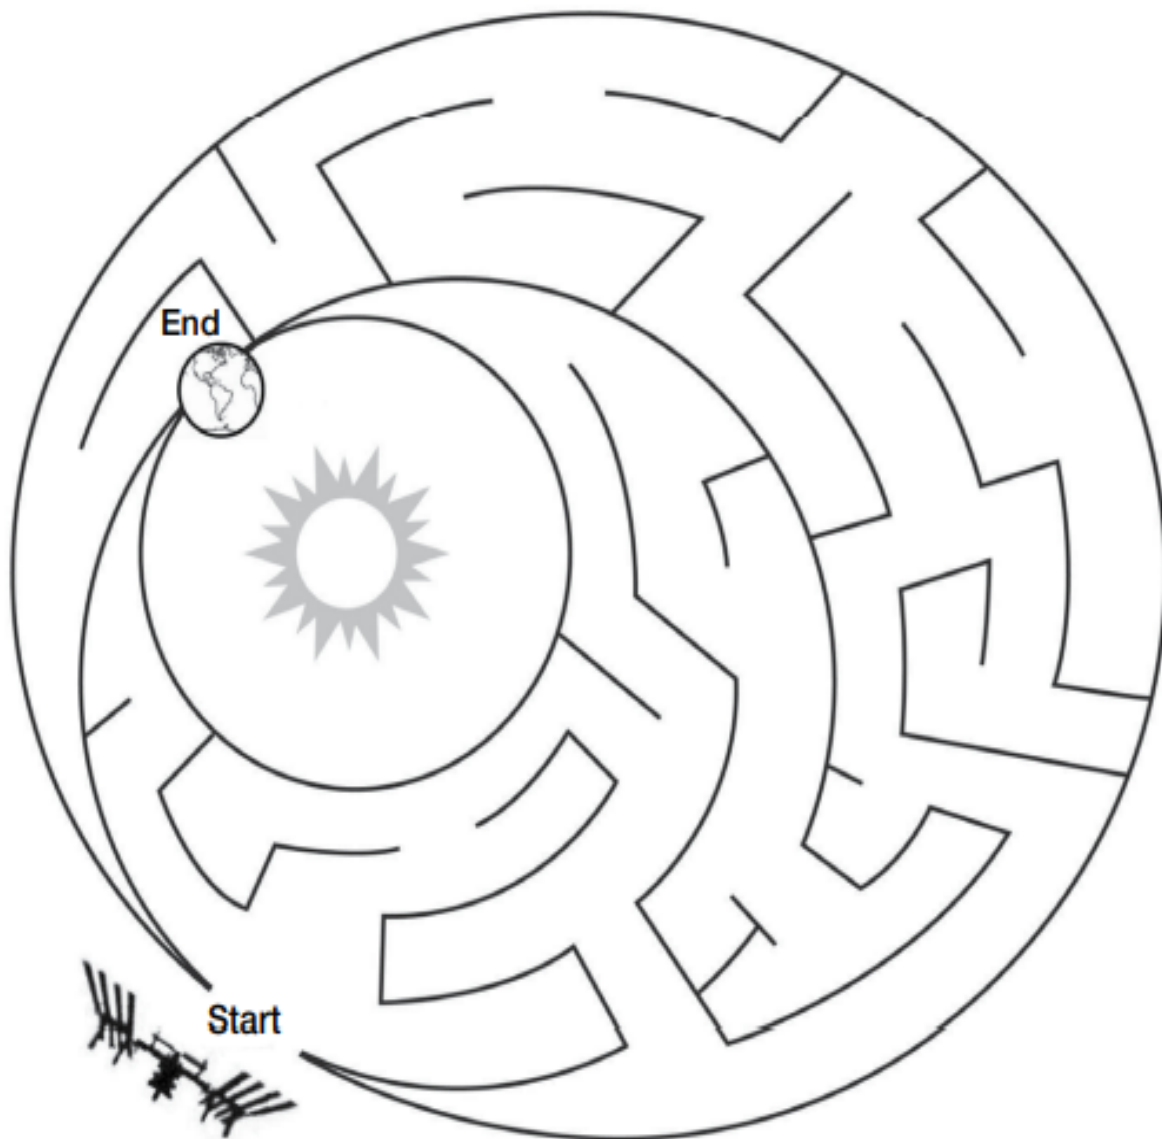

Connect the Dots to Draw a Space Station Transport Vehicle!

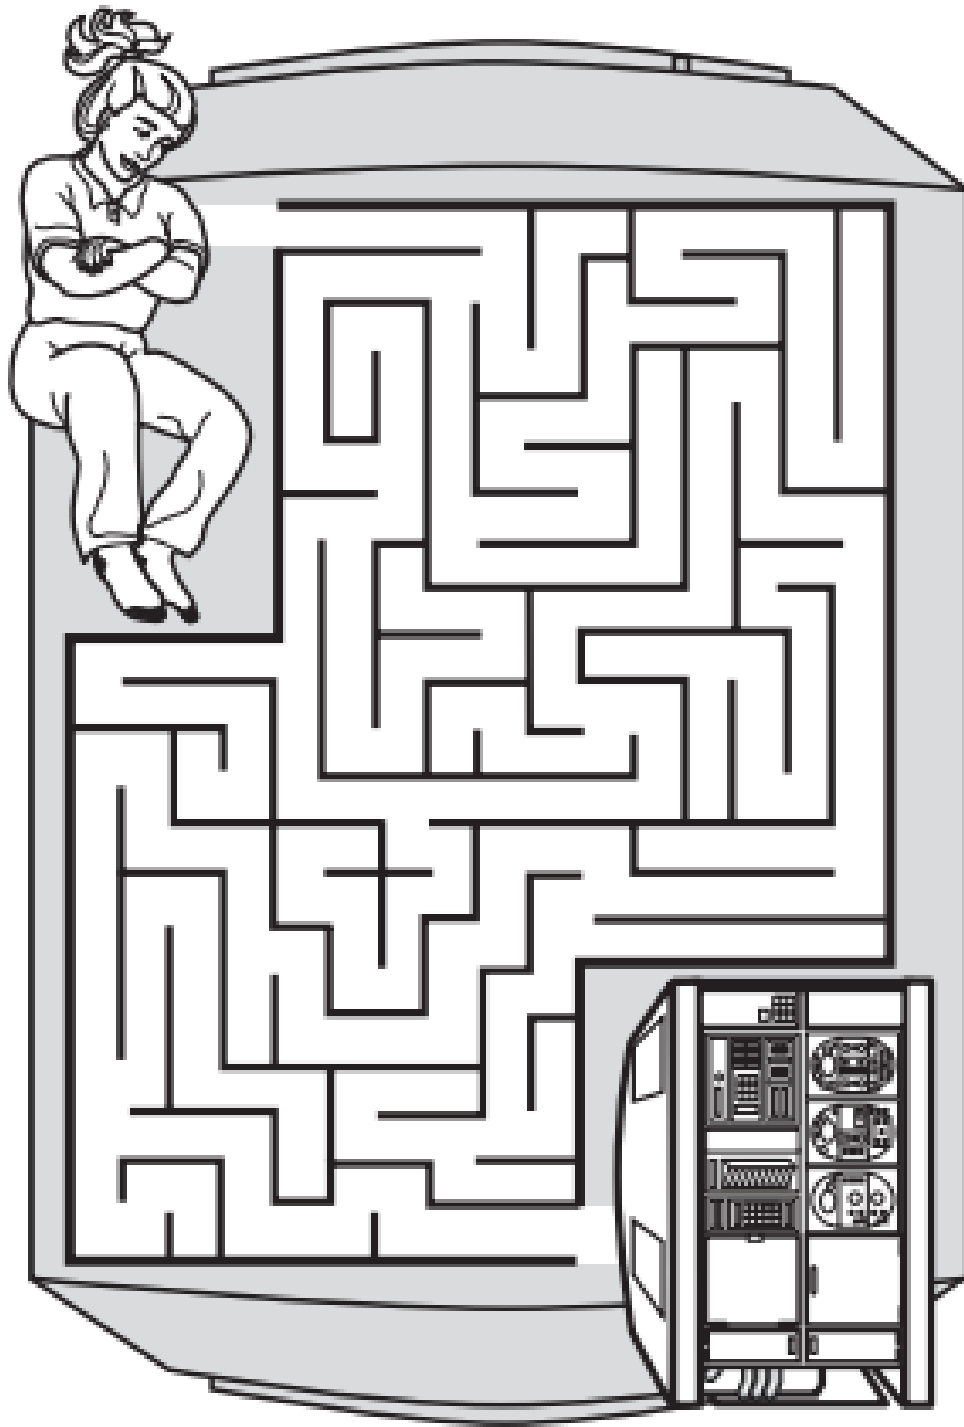

Can you make it through all three mazes?

Level 1:

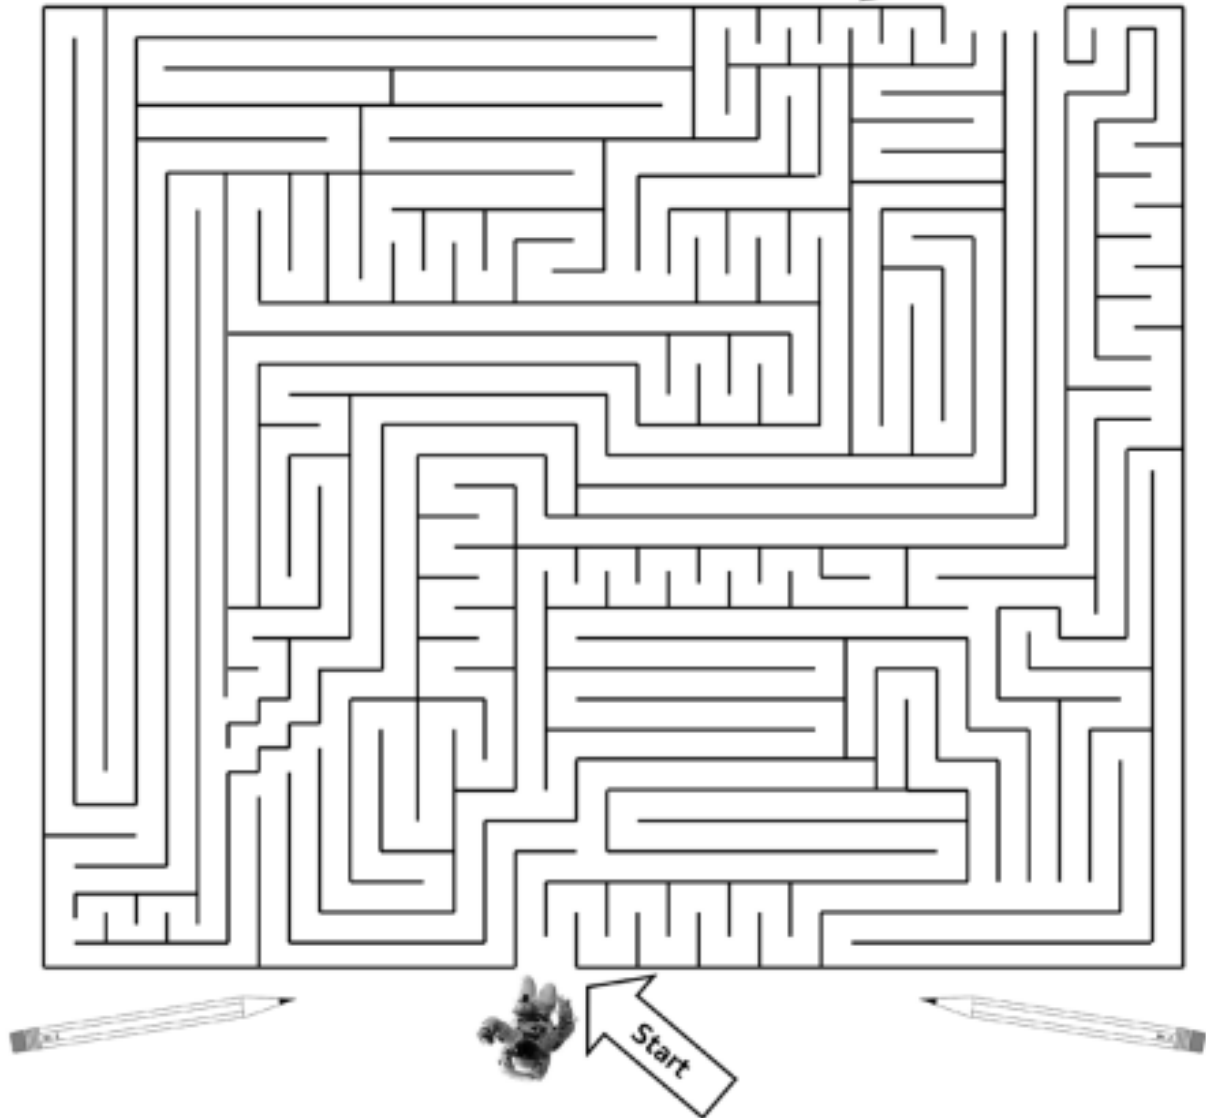

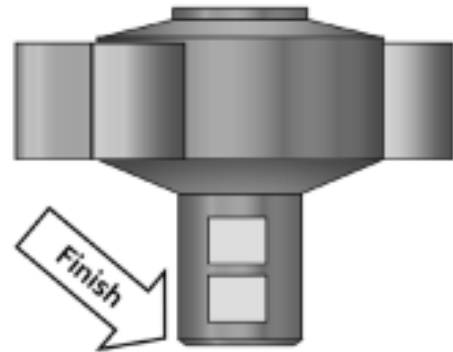

Level 2:

Level 3:

Sometimes astronauts have to do spacewalks to repair equipment or check on a science experiment outside the Space Station. The Airlock is a special module that lets astronauts in their bulky space suits go outside and come back in again. Help the astronaut get back to the Airlock!

Questions For Today

1. How high did your rocket fly? (approximately)

2. Was your prediction correct, why or why not?

3. What problems did you run into? How did you overcome them?

4. Would you have done anything differently today, if so what?

5. Did you have fun?
