Registration and Tuition Information

Our programs are designed to accommodate dancers of all ages and abilities. You can begin and enjoy dance at any age! We ask that all students consult with us before choosing a specific class and schedule. Even if you have danced before, it is often important for us to see you in class to get an idea of your prior training and to properly place you in a class. We continue to watch and evaluate all students in each class. After the first few classes we may request that a student change to a different class level. It is important that each dancer is in the right class to guarantee that they are progressing at the right level for each student.

Fall classes begin after Labor Day in September and run through the recital in June. Dance classes are a full school year commitment, but dance training should continue year-round. If a student chooses not to complete the year, a 30-day notification must be given for tuition termination. Notifications need to be submitted prior to the first of the month.

Tuition prices are listed below. There is an annual registration fee of $30.00/student. For your convenience we break tuition into 10 equal payments, due by the first of the month. They are not "monthly" payments as some months may have three classes while others have five. You may pay tuition in half year or full year payments if you prefer. There is a late fee of $10 for any payments made after the 15th of the month. All accounts must utilize the auto-pay feature.

Billing: You will **not** receive a “bill” when tuition is due. You will be charged your student’s tuition on the 1st of each month September-June. Please make sure that we have your updated email information and that you receive our E-newsletters. You must set up autopay at the time of enrollment.

AutoPay: Autopay is required for all registered students. We automatically charge tuition monthly to a credit or debit card, you can set up automatic payments at the office or in your Dance Studio Pro parent portal. Please note that there is a late fee if a payment is not processed by the 15th of the month.

Class Cancellation Policy: Classes with enrollment of 3 or less students are subject to cancellation.

Make-Up Policy: Dancers can make-up up to 3 missed classes per year. Make-up classes must be scheduled in advance.
