Cookie Policy

What Are Cookies?

Cookies are small text files stored on your device by your web browser when you visit a website. They help websites remember your actions and preferences over time and can improve user experience by enabling essential features.

How We Use Cookies

thewp1.xyz uses cookies and similar tracking technologies to:

- Operate and secure the website
- Enhance the user experience and site functionality
- Gather analytics about site usage to improve performance

No cookies are used for marketing or advertising purposes.

Types of Cookies We Use

- Necessary cookies: Required for basic site functionality, such as logging in and accessing secure areas.
- Functional cookies: Support additional features like remembering your preferences.
- Analytics cookies: Collect anonymized data on platform usage to help us optimize services.

Managing Cookie Preferences

You can control or delete cookies through your browser settings. Most browsers allow you to:

- View which cookies are stored
- Delete existing cookies
- Block cookies from being placed

Please note, disabling certain cookies may impact how the website functions.

Third-Party Cookies

We do not use third-party marketing cookies, but some third-party services (such as analytics providers or embedded features) may place their own cookies. Refer to their respective cookie policies for details.

Changes to This Policy

This policy may be updated from time to time. Changes will be posted on this page with the effective date.

Contact Us

If you have questions about our cookie policy, please contact us through the website.
